Correspondence

***From Chairman Micari to Larry Beaudoin of Agape House:** On behalf of the Bristol Commission for Persons with Disabilities, I thank you for your presentation at our February Commission meeting. Your discussion and overview of Agape House's history, mission, and services was extremely informative and eye-opening, regarding the breadth and scope of daily services to members of the Bristol community. You informed Commissioners and meeting guests about your daily and annual calendar, individuals served, donor- and grant-supported budget, as well as Agape's Community-Based Network, and the critical role that volunteers play in daily operations. Also, your emphasis upon Agape's One Purpose--Building Relationships--along with an emphasis upon being Good Partners and Friends in our Community, further underscored Agape's commitment to those who have "fallen on hard times." Thank you also for your offer to provide a tour to anyone interested in experiencing your daily operations. Finally, I look forward to continued collaboration and partnership with Agape House.

Response from Mr. Beaudoin: My pleasure, thank you for having me and the opportunity to speak to the Bristol Commission for Persons with Disabilities.

***From Chairman Micari to Karen Green, ADA-CC Coordinator:**

I am reaching out to ask if you or a designee would be available and willing speak at the April 8th meeting of the Bristol Commission for Persons with Disabilities. This meeting is at 7:00PM at the Bristol City Hall, 111 North Main St. Third Floor Meeting Room 3-1. I have left several phone messages for Michael Whilby, but have not heard from him. As you know, Bristol has been a longstanding ADACC Member, and we are interested in receiving an update overview of current initiatives. Please let me know of your availability.
