- III. Discussion of proposed reallocation of CDBG-CV administrative funds
Dr. Dawn Leger advised the Committee that during her review of the Consolidated Annual Performance and Evaluation Report (CAPER) she identified \$16,561.75 in administrative funds that remained unspent. They can only be spent now for items related to the pandemic. Dr. Leger also learned that St. Vincent De Paul's funding was cut for winter overflow, shelter and warming centers this year. The \$16,561.75 would be an acceptable use of the funds and help with staffing for this resource, and she asked the Committee to entertain a motion to purpose the funds accordingly.

Commissioner Hick read and brought forward the following motion:

To approve the request to carry over unused administrative funds from CDBG-CV grant to the current fiscal year budget for St. Vincent DePaul Mission, to support expenses for running a warming center/overflow shelter during the cold weather months: \$16,561.75.

The motion was seconded by Commissioner Massarelli. All were in favor and the motion was accepted into the record.

IV. Motion to adjourn

Chairman Schmelder request a motion to adjourn. Commissioner Massarelli made the motion which was seconded by Commissioner Hick. All were in favor and the meeting adjourned at 4:51pm.
