INTRADEPARTMENTAL MEMORANDUM

To: Captain Jeff Rousseau
Investigative Services Bureau

From: Lieutenant Anthony M. Pia
Commander, VIN Division / Auto Theft

Date: March 04, 2022

Subject: January and February GHRATTF Stats and Highlights

Overall Stats:

- Recovered Stolen Vehicles – 148
- Stolen Vehicle Arrests – 58
- Firearms Recovered – 14
- Warrants Served – 40
- Other Arrests – 31

Highlights

During first weeks of 2022 GHRATTF members have continued to work cases and incidents in a collaborative manner, making successful arrests, and recoveries as a result. Below are a few noteworthy highlights, by no means is this an all-inclusive list of activities and arrests by the GHRATTF team.

In January, GHRATTF located and recovered a Land Rover that was taken in an armed carjacking out of East Hartford. GHRATTF assisted HPD with an investigation into a vehicle that was taken during an armed carjacking and later used in a shooting homicide in Hartford, the suspect was identified as Gregory Hernandez, a known prolific car thief who has been stealing vehicles in the greater Hartford region. Also, GHRATTF members spotted a vehicle taken in a carjacking on Freeman Street in Hartford, stop sticks were deployed and two juveniles were taken into custody, within hours of the incident.

On Thursday February 3rd, 2022, a vehicle stolen out of Bristol was located in Hartford and tracked to New Britain where the vehicle became disabled on the shoulder of RT9. GHRATTF members conducted a search of the streets of New Britain, and located two parties who are known auto thieves. Bristol GHRATTF officer made the arrest. During a joint investigation involving numerous GHRATTF towns, an Infiniti taken during a carjacking with shots fired in Hartford was located in Bristol being offered for sale on Facebook market place. The vehicle was recovered and is ongoing investigation into the suspect's identity. known auto thieves, GHRATTF members assisted in identifications. GHRATTF members also spotted a stolen vehicle from Newington that was being operated by Scott Kaminski in the southend of Hartford. Kaminski was wanted for several warrants including Middletown and Enfield, and was also wanted for questioning for several burglaries in Hartford.

During the week of February 20th, 2022, a vehicle was stolen on Park Street in Hartford with a 6 year old girl in the back seat. The juvenile was dropped off several blocks away, and two days later the vehicle was located in New Haven. GHRATTF members responded to New Haven recovered the vehicle and the investigation is ongoing. On February 28th, 2022, GHRATTF members responded to Manchester to assist with West Hartford on a warrant arrest for a firearm suspect. GHRATTF was able to assist with the stop, located narcotics, which resulted in Manchester PD obtaining a search warrant for a residence. The search resulted in the seizure of five illegal firearms.

Although auto theft numbers are down in the region, GHRATTF team members continue to provide successful assistance to one another. The relationships built have increased the teamwork and information sharing between agencies, which continue to show incredible success not just for stolen vehicles, but violent crime in the region.

MEMORANDUM

TO: Brian Gould, Police Chief

FROM: Jeffrey R. Steeg, Assistant Corporation Counsel 

DATE: February 10, 2022

RE: Citation 251842 – Carousel Museum

The above citation was issued on November 2, 2021 in the amount of \$90.00. Because payment was not remitted within 15 days, the penalty doubled to \$180.00 and ultimately, tripled to \$270.00.

Payment of \$180.00 was made and it appears that there was a timing difference between when the payment was received and when the citation tripled.

In accordance with Section 2.5-6(e) of the City Ordinances, the Chief of Police may waive any of the charges with approval of the Board of Police Commissioners. Please advise if said additional penalty of \$90.00 can be waived so that our office can close out this file.

CHIEF OF POLICE
BRIAN J. GOULD
131 North Main Street
Bristol, Connecticut 06010

March 9, 2022

Dear Chairperson John E. Smith and Board of Finance Members,

In August of 2015, Thomas R. Grimaldi, Chief of Police at that time, submitted a letter requesting a sole source exemption. In summary, this request had to do with the purchasing of body worn cameras, electronic control devices and cloud data storage from Taser International, now known as Axon. This sole source exemption was granted and we entered into a five (5) year contract with Taser International (Axon).

This contract expired on November 01, 2020. As this purchase had been extremely beneficial to our operations, while protecting the interests of the Bristol Police Department and the Community we serve, we continued our business with Axon; signing another contract to continue our body worn camera and electronic control device program (sole source transaction approved). Axon is the proprietor of the products and services that meet the specifications of the much needed body worn cameras, related equipment, services and electronic control devices of the nature and specificity requested by the Bristol Police Department.

In July, 2020, CT passed AN ACT CONCERNING POLICE ACCOUNTABILITY. This bill has numerous mandates, one of which states; by July 1, 2022, all law enforcement units must require the use of dashboard cameras with a remote recorder in each police patrol vehicle used by any of the officers it employs (CGS §29-6d, as amended by PA 20-1, JSS). As a result, we will need to outfit our fleet with dashboard cameras. As we already have a platform in place with Axon, we partnered with Axon to purchase dashboard cameras, which will interact with our current system.

Pursuant to section 2-I; Proprietary and Sole Source Transactions, of the City of Bristol Purchasing Manual, I requested to contract with Axon as a sole source transaction for the dashboard cameras. This was approved on or about June 2021. Cameras have been purchased.

Section 54-1o (attached) requires the police Department to have "Electronic recording"; "means an audiovisual recording made by use of an electronic or digital audiovisual device" in "Place(s) of detention" for certain custodial interrogations. Our current system is end of life and there is a concern for storage capacity. For continuity, integrity, and accountability we are looking to expand our AXON platform.

Therefore, pursuant to section 2-I; Proprietary and Sole Source Transactions, of the City of Bristol Purchasing Manual, please consider this correspondence as a request to contract with Axon as a sole source transaction for this electronic recording system.

Respectfully,

Chief Brian J. Gould

"To Protect and Serve the Community with Integrity and Professionalism"

Sec. 54-10. Electronic recording of custodial interrogations. (a) For the purposes of this section:

(1) "Custody" means the circumstance when (A) a person has been placed under formal arrest, or (B) there is a restraint on a person's freedom of movement of the degree associated with a formal arrest and a reasonable person, in view of all the circumstances, would have believed that he or she was not free to leave;

(2) "Interrogation" means questioning initiated by a law enforcement official or any words or actions on the part of a law enforcement official, other than those normally attendant to arrest and custody, that such official should know are reasonably likely to elicit an incriminating response from the person;

(3) "Custodial interrogation" means any interrogation of a person while such person is in custody;

(4) "Place of detention" means a police station or barracks, courthouse, correctional facility, community correctional center or detention facility; and

(5) "Electronic recording" means an audiovisual recording made by use of an electronic or digital audiovisual device.

(b) An oral, written or sign language statement of a person under investigation for or accused of a capital felony or a class A or B felony made as a result of a custodial interrogation at a place of detention shall be presumed to be inadmissible as evidence against the person in any criminal proceeding unless:

(1) An electronic recording is made of the custodial interrogation, and (2) such recording is substantially accurate and not intentionally altered.

(c) Every electronic recording required under this section shall be preserved until such time as the person's conviction for any offense relating to the statement is final and all direct and habeas corpus appeals are exhausted or the prosecution is barred by law.

(d) If the court finds by a preponderance of the evidence that the person was subjected to a custodial interrogation in violation of this section, then any statements made by the person during or following that nonrecorded custodial interrogation, even if otherwise in compliance with this section, are presumed to be inadmissible in any criminal proceeding against the person except for the purposes of impeachment.

(e) Nothing in this section precludes the admission of:

(1) A statement made by the person in open court at his or her trial or at a preliminary hearing;

(2) A statement made during a custodial interrogation that was not recorded as required by this section because electronic recording was not feasible;

(3) A voluntary statement, whether or not the result of a custodial interrogation, that has a bearing on the credibility of the person as a witness;

(4) A spontaneous statement that is not made in response to a question;

(5) A statement made after questioning that is routinely asked during the processing of the arrest of the person;

(6) A statement made during a custodial interrogation by a person who requests, prior to making the statement, to respond to the interrogator's questions only if an electronic recording is not made of the statement, provided an electronic recording is made of the statement by the person agreeing to respond to the interrogator's question only if a recording is not made of the statement;

(7) A statement made during a custodial interrogation that is conducted out-of-state; and

(8) Any other statement that may be admissible under law.

(f) The state shall have the burden of proving, by a preponderance of the evidence, that one of the exceptions specified in subsection (e) of this section is applicable.

(g) Nothing in this section precludes the admission of a statement, otherwise inadmissible under this section, that is used only for impeachment and not as substantive evidence.

(h) The presumption of inadmissibility of a statement made by a person at a custodial interrogation at a place of detention may be overcome by a preponderance of the evidence that the statement was voluntarily given and is reliable, based on the totality of the circumstances.

(i) Any electronic recording of any statement made by a person at a custodial interrogation that is made by any law enforcement agency under this section shall be confidential and not subject to disclosure under the Freedom of Information Act, as defined in section 1-200, and the information shall not be transmitted to any person except as needed to comply with this section.
