Lt. Krajewski addressed the Shrub Road speed limit reduction request. The Director of Public Works asked Lt. Krajewski requests that the Office of the State Traffic Administration evaluate the roadway to determine if lowering the speed limit to 25 mph would be appropriate for this project.

Commissioner Ghio made a motion TO HAVE THE OFFICE OF THE STATE TRAFFIC ADMINISTRATION EVALUATE THE ROADWAY TO DETERMINE IF LOWERING THE SPEED LIMIT TO 25 MPH WOULD BE APPROPRIATE FOR THIS PROJECT, Seconded by Commissioner Sapp-Smith.

A discussion was held regarding lowering the speed limit on Shrub Road. Mayor Caggiano also shared that there have been directed patrols and the speed sign was moved to the other side of the road which has helped.

Commissioner Lemieux asked that if this project was for traffic calming, should we wait until the project is completed to see the outcome before we go to the State Traffic Administration? Lt. Krajewski stated that a request through the State Traffic Administration usually takes 6 – 8 months.

A vote was taken to have the Office of the State Traffic Administration evaluate the roadway to determine if lowering the speed limit to 25 mph would be appropriate for this project.

Traffic Officer Assignments:

The Traffic Division officers are tasked with the daily maintenance of the fleet, child car seat installations as well as assisting other divisions within the police department and throughout the city.

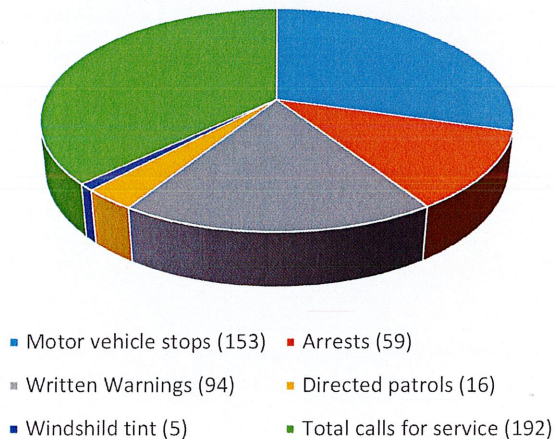

Traffic Complaints:

Officers have been conducting enforcement at various locations within the city for speeding and areas with higher crashes are being targeted through enforcement of speed and other violations to decrease crashes with the intention of making our roadways safer. By utilizing the UCONN crash repository crash heat map, known speeding and red light violation hot spots, the officers are tailoring their enforcement activities. Each week they are assigned three locations to focus their enforcement on. Each location is picked due to speed activity and crash history.

Traffic Division Assignments:

- Officers participated in escorting the Police Memorial End of Watch rolling trailer
- Officers participated with new recruit training which consists of roll playing for various types of calls or motor vehicle stops
- Officers participated in a youth event at Camp Courant, where they met with other officers from all over Connecticut for the children to interact with officers and police equipment. Camp Courant is the oldest and largest FREE summer day camp in the nation, proudly serving Hartford's kids since 1894.

Serious/Fatal Traffic Crashes:

Open Cases:

1. Case #23-42475 (11/23/23) – On Thanksgiving, a westbound vehicle had just left their gathering in Farmington. As they were nearing the Bristol town line, for an unknown reason at this time, the driver failed to negotiate a curve as the roadway entered Bristol. The vehicle struck several trees/brush and a rock before coming to a final rest against a tree. First responders arrived on scene, where the parents of three young children were pronounced dead at the scene. The children were extricated from the vehicle and sent to area hospitals for their injuries. This case is currently under supervisor review.
2. Case #24-610 (1/5/24) – A vehicle was exiting a restaurant's parking lot, which was then struck by a southbound vehicle on Middle Street, who had the right of way. This investigation was initially investigated by the patrol division. On 1/19/24, the original investigator was notified that the passenger of the vehicle exiting the parking lot was not expected to survive and succumbed to his injuries on 1/19/24. Search warrants have been drafted, signed and served to investigate the vehicles involved in this crash. The crash is currently under investigation.
3. Case #24-4395 (2/1/24) – A woman was jogging along Middle Street, who proceeded to cross the street towards Lake Avenue during the night time hours. As she was crossing, she was struck by a female driver who was southbound on Middle Street. The driver remained on the scene and is cooperating with the investigation. This crash is currently under supervisor review.
4. Case #24-7525 (2/24/24) – A motorcycle struck a vehicle that was exiting a gas station parking lot. The motorcycle rider was seriously injured and flew by Life Star to an area hospital. This crash is currently under investigation.
5. Case #24-8574 (3/3/24) – A vehicle was traveling northbound on West Street in the area of Gridley Street. As the vehicle approached a crosswalk by Gridley Street, a male in a motorized scooter was struck by the northbound vehicle. The patrol division responded to the scene and secured it. The male from the scooter was transported to an area hospital to be evaluated. After some time, hospital staff stated that his injuries were not life threatening. On 3/16/24, we were notified that the male had passed away. An autopsy was completed and the initial results were inconclusive. This crash was reassigned to the traffic division. This case is currently under supervisor review.
6. Case #24-13707 (4/11/24) – A patron left a bar and walked out into the middle of Pine Street, where he proceeded to yell at the establishment. As he walked back towards the sidewalk, he was struck by an eastbound vehicle. The vehicle then fled to the highway, where it left the roadway and struck a guardrail. New Britain police, as well as CT State Police responded, who ultimately arrested the driver for DUI and other motor vehicle charges. We are currently investigating the hit and run portion of this incident.

**FOR IMMEDIATE RELEASE
July 3, 2024**

Hartford Man Sentenced to 33 Months in Federal Prison for Trafficking Fentanyl and Cocaine

Vanessa Roberts Avery, United States Attorney for the District of Connecticut, announced that LUIS IVAN DIAZ, 26, of Hartford, was sentenced today by U.S. District Judge Stefan R. Underhill in Bridgeport to 33 months of imprisonment, followed by four years of supervised release, for trafficking fentanyl and cocaine.

According to court documents and statements made in court, the Connecticut State Police obtained an arrest warrant for Diaz after his DNA was found on a gun that was thrown from a vehicle during a State Police pursuit on March 8, 2022. The Drug Enforcement Administration's Hartford Task Force had also identified Diaz as a fentanyl trafficker. Diaz was located and arrested on state charges on November 3, 2022. At the time of his arrest, Diaz possessed approximately 35 grams of fentanyl, 23 grams of cocaine, and five grams of crack cocaine.

Diaz was charged by indictment on April 26, 2023. On June 6, 2023, he was arrested pursuant to a federal arrest warrant at the Hartford Superior Courthouse, where he had a pending state case. At the time of his arrest, a search of a fanny pack he possessed revealed approximately 40 grams of fentanyl and 18 grams of crack.

Diaz has been detained since his federal arrest. On January 2, 2024, he pleaded guilty to possession with intent to distribute fentanyl and cocaine.

The DEA's Hartford Task Force includes personnel from the DEA Hartford Resident Office, the Connecticut State Police, and the Bristol, Hartford, East Hartford, Enfield, Manchester, New Britain, Rocky Hill, Wethersfield, and Windsor Locks Police Departments.

This case was prosecuted by Assistant U.S. Attorneys Kenneth L. Gresham and Jocelyn Courtney Kaoutzanis, and Trial Attorney Brian P. Leaming of the Justice Department's Violent Crime and Racketeering Section.

FOR IMMEDIATE RELEASE
July 12, 2024

New London Man Charged with Cocaine Distribution and Firearm Possession Offenses

Vanessa Roberts Avery, United States Attorney for the District of Connecticut, and Stephen Belleau, Acting Special Agent in Charge of the Drug Enforcement Administration for New England, today announced that a federal grand jury in Bridgeport has returned an indictment charging LUIS OLIVER-GARCIA, also known as "Bebo," 34, of New London, with cocaine distribution and firearm possession offenses.

The indictment was returned on July 2, 2024, and Oliver-Garcia appeared yesterday before U.S. Magistrate Judge Maria E. Garcia in New Haven pleaded not guilty to the charges. He has been detained since his arrest on June 21, 2024.

As alleged in court documents and statements made in court, the Drug Enforcement Administration's Hartford Task Force identified Oliver-Garcia as a large scale distributor of cocaine. The investigation revealed that Oliver-Garcia rented a storage unit at a facility on Cross Road in Waterford to store narcotics and other items. On June 21, 2024, Oliver-Garcia arrived at the storage facility shortly before investigators were about to conduct a court-authorized search of his storage unit. Oliver-Garcia was arrested after the search revealed more

than three kilograms of cocaine, approximately \$30,000 in cash, and a 9mm firearm, and a search of the car that he drove to the facility revealed an additional quantity of cocaine and two boxes of 9mm ammunition.

It is alleged that Ortiz-Garcia's criminal history includes state convictions for felony drug distribution and weapon possession offenses. It is a violation of federal law for a person previously convicted of a felony offense to possess a firearm or ammunition that has moved in interstate or foreign commerce.

The indictment charges Oliver-Garcia with possession with intent to distribute 500 grams or more of cocaine, which carries a mandatory minimum term of imprisonment of five years and a maximum term of imprisonment of 40 years; unlawful possession of a firearm and ammunition by a felon, which carries a maximum term of imprisonment of 15 years; and possession of a firearm in furtherance of a drug trafficking crime, which carries a mandatory consecutive term of imprisonment of at least five years.

U.S. Attorney Avery stressed that an indictment is not evidence of guilt. Charges are only allegations, and the defendant is presumed innocent unless and until proven guilty beyond a reasonable doubt.

This investigation is being conducted by the Drug Enforcement Administration's Hartford Task Force, which includes personnel from the DEA Hartford Resident Office, the Connecticut State Police, and the Bristol, Hartford, East Hartford, Enfield, Manchester, New Britain, Rocky Hill, Wethersfield, and Windsor Locks Police Departments.

The case is being prosecuted by Assistant U.S. Attorney Reed Durham.

Time of Incident: 12:28h

Incident Case #: 24-1084

Summary:

On 1/9/2024 the Bristol Police responded to a city residence for a call for service; a two-year old child was reported to have fallen down a flight of stairs and was unresponsive. Responding officers immediately assessed the child and performed CPR. Bristol EMS arrived on scene and transported the child to the Bristol Hospital, where the child was pronounced dead. Responding officers noticed a significant amount of abnormal injuries on the child while performing CPR. The Bristol Police Criminal Investigations Division was called to the scene, and further investigation commenced.

After a thorough investigation it was determined that the child did not fall down a flight of stairs, but was instead the victim of physical abuse over a period of time, ultimately resulting in the death of the child.

On 7/8/2024 Alyjah Almodovar (DOB 9/4/2002) was arrested by warrant for violation of C.G.S. 53-21: Risk Of injury to a Child, and 53-20(a)(1): Intentional Cruelty to Persons. She was held on a court-set \$100,000 bond.

On 7/12/2024 Luis Dejesus (DOB 11/14/1999) was arrested by warrant for violation of C.G.S. 53a-55: Manslaughter in the 1st degree, 53a-60: Assault in the 2nd degree, 53-21: Risk of Injury to a Child, 53-20(a)(1): Intentional Cruelty to Persons, and 53a-157b: False Statement. He was held on a court-set \$1,000,000 bond. (note: at the time of this warrant arrest, Dejesus was already in the custody of the Department of Corrections on charges stemming from another Bristol Police investigation. Those offenses include illegal firearms and narcotics possession.)

Incident Case #: 24-10866

Summary:

During the month of June 2024 members of the Bristol Police Department Narcotic Enforcement Team (NET) received information that Kesean Milward (DOB: 06/24/1998) was conducting narcotics sales out 149 School Street in Bristol.

Chief Hart,

On June 24th, 2024 at approximately 4:18 am, Engine 4 was dispatched to a report of "a motor vehicle accident involving a pedestrian." I wanted to shed some light on the actions of the police officers at this scene.

Upon arrival, we were directed by a Bristol Police Officer to relocate our apparatus in attempt to preserve the potential crime scene. This officer then stated, "Can you block this intersection? I need to go up and help with some medical work."

I have spent the last few days reminiscing over calls spanning my nearly 20 years with the Bristol Fire Department and I could not remember a single call where I heard a police officer state that he/she needs to "go do medical." Historically, they are caught up with the other tasks and responsibilities they have at these scenes: investigating, determining who is at fault, preserving the scene etc.

Once we made our way up to the scene I witnessed not just that officer attempting to provide lifesaving medical care, but multiple officers. By the time we arrived, PD had already successfully applied a total of three tourniquets to the lower extremities of the two victims. This swift action alone gave these victims a fighting chance. They were continuing to assess vitals and injuries and begin CPR. At this time, it was clear we would be in a support role and we simply asked what we could do to help.

Although I have no military experience, I have found myself equating this scene to something you would come across on a battlefield. I do not know the backgrounds of the officers involved, but I have referred to them repeatedly as "combat medics" in the ensuing days. Their actions were nothing shy of heroically impressive.

As is the case with our professions, we cannot change the events that happened prior to our arrival that created the scene, we can only hope to make the situation better once we arrive. Unfortunately there are times that the outcome is not a pleasant one, despite our best efforts. Sadly that was the case that morning. Despite these officers' valiant lifesaving efforts, both victims succumbed to their injuries. If this outcome could have been changed, it would have been by those officers on scene that morning. Sometimes, the deck is stacked against us, as it certainly was that morning, but that did not deter their heroic efforts.

Respectfully,

Lt. Brian Plourde

Detail what happened:

I received a motion notification from my Ring camera while I was away from home, where I observed someone walk into my backyard. I became concerned and called BPD dispatch to see if officers could check on my property since I was not able to do so myself. Three officers quickly responded to my home to ensure that no one was on my property or attempting to make entry into my home. They were not only quick to arrive, but quick to follow-up and let me know that the home was locked, and the property was clear and secure. I am very grateful for the protection and service of BPD officers. Thank you, sincerely!

Detail what happened:	Thank you, Officer Warzecho, for being so kind, thorough, and professional with the whole ugly paint spill incident at the intersection of Shrub Road, Oak Hill, and my driveway. What a mess. Thanks to you, so many people were saved from getting injured by the irresponsible drivers flying by, and so many others avoided ruining their cars going through the sea of paint in the middle of the south side of Shrub Road. If you hadn't acted so quickly, we definitely would have had a head on crash at the crest of the hill. Thank you for interviewing neighbors to try to find the truck and men that allowed the pail of paint off the back of their truck. Thank you for contacting Bristol DPW

for emergency clean up. My neighbors and I were so grateful
and impressed with the way you handled this, singlehandedly.
Bravo. Be safe. God bless.

Re: 89/91 View Street

Both animal control officers devoted portions of their shifts to directed patrols on View Street between July 23, 2024, and August 1, 2024, in attempts to make contact with Dwayne Robinson of 89/91 View Street. The animal control officers were also tasked with checking licenses of other dogs they encountered in the neighborhood since City of Bristol records reflected there was only one registered dog on all of View Street. Based on calls for service and feedings, both animal control officers could only dedicate about an hour daily to this task.

Animal Control Officer Zagurski made attempts to speak with Mr. Robinson by knocking on his door. Mr. Robinson did not answer, however, the first-floor tenant met with Animal Control Officer Zagurski and said that Mr. Robinson is being evicted on August 10, 2024. Animal Control Officer Zagurski tried to verify this with the landlord but his phone calls were never returned. While speaking with the first-floor tenant, it was determined that he owned a dog that was not registered but had the proper vaccinations. The person was provided a warning to register their animal.

Animal Control Officer Jackson did not see Mr. Robinson leave his residence either and did not observe anyone walking their dogs in the neighborhood while on his directed patrols. Despite both animal control officers dedicating time to this matter, neither gained further information in this case. Since the Police Board Meeting in July, the complainants in this matter stated they possessed video/photograph evidence that Mr. Robinson owned and was breeding numerous dogs in violation of City of Bristol ordinances. The complainants stated they would forward this media to the police department, however, they have yet to do so.

As of August 5, 2024, the directed patrols have been canceled and all actions moving forward will be investigated on a complaint basis due to a lack of evidence supporting the accusations in this matter. The actions of both animal control officers were documented so they may be referenced should this issue continue.

Matthew Moskowitz

Explanation:

On June 14, 2024 - we installed a new key pad via our alarm co. Lynx. After the 1st false alarm the co. was called to report it and on 6/27/2024 they stated the expander module failed. The tech found the cover of the expander was not secured in place due to a nest of wires. Tech fixed the wires and reinstalled the cover. We thought this would resolve the issue until the 7/30/2024 alarm. Called the alarm co. again and they stated the zones needed to be adjusted. Company fixed the zones remotely on 8-9-2024. So far so good.

Customer is having loss of supervision on all zones that's wired in an expander in warehouse. Found expander cover not on properly due to nest of wires. Straightened out wiring and disabled dip switch 8 so tamper from expander doesn't fail.
