March 2, 2022

Dear Ms. Roy

The City of Bristol is very excited to apply for a section of our Town to be designated as a “Cultural District” by the State, per the “Act Concerning the Establishment of Municipal Cultural Districts” which was effective October 2019. Please reference our previous Letter of Intent to you dated August 6, 2021.

We strongly believe that an enlarged area of our downtown perfectly fits the cultural district definition per the Standards & Criteria laid out by the Connecticut Department of Economic and Community Development. We have met all of the Standards & Criteria:

- The Cultural District meets the requirements of the definition.
- The District has defined boundaries.
- The District is walkable and accessible.
- The District has a multitude of cultural facilities and assets.
- The District has ample public infrastructure and amenities.
- In January 2022, the Bristol Mayor approved the existing Arts & Culture Commission to create an Advisory Subcommittee that reports to the Arts & Culture Commission, in accordance with the City's governance structure. This is an Advisory Council which is an informal working group.
- The Advisory Council Subcommittee met and communicated numerous times. All members actively support this Application.

ATTACHMENT F

- There was a Public Hearing to meet the requirements of a “community input meeting” on X DATE, where the community learned about the proposed District and goals.
- The Mayor passed a resolution immediately following this Public Hearing, and unanimously voted to support the Application to the State.

Attached please find all materials for the City of Bristol application:

- Page X Map with an inventory of cultural assets
- Page X Letter of Endorsement from Bristol's Mayor, Jeffrey Caggiano
- Pages X-X Minutes from X Meetings
- Page X List of Advisory Council Subcommittee members
- Page X Inventory of Cultural Assets and Facilities within District
- Page X Inventory of Other Notables within District, including Cultural Activities

Warmly,
Lauren Imholte

The Subcommittee met in February, March, and April of 2022 regarding this application. They have recommended to the Arts & Culture Commission to evaluate the established Measures of Success X times per year.

The Subcommittee seeks to continue to support the vast arts and culture businesses and organizations in Bristol. The Subcommittee would like to see increased X (ie ticketsales; attendees; visitors) of X% per year. It will oversee the design and creation of at least two signs designating the location of the Cultural District, and will assist the City with determining their location.

Patti Philippon - Director of the American Clock & Watch Museum

Mark Walerysiak - Member of the Arts & Culture Commission
