Kevin and Joline:

On behalf of the Bristol Commission for Persons with Disabilities, I thank you for your presentation at our October Commission meeting. This "traditional annual pre-election presentation", was once again a timely overview of this year's ballot, including candidates and referendum question, as well as discussion and demonstration of the Adaptive Voting Device and voting process. The discussion of the early voting process and calendar also provided important information and details of this recently enacted voting alternative. Finally, thank you for your continued and longstanding support of our Commission and Mission.

*Sincerely,
Daniel "Dan" Micari, Chair
Bristol Commission for Persons with Disabilities*
