PUBLIC ACT 23-116

- Approval of a local ordinance
 - Include locations as outlined in CT State law
 - Traffic control signals, school zones, pedestrian safety zones, and other locations for speeding
 - Establish a fine to be imposed
 - Not greater than \$50 for the first citation, \$75 for the second or subsequent violation
- A citation hearing procedure which allows for six defenses to the owner of the vehicle who is alleged to have committed a violation of the ordinance
 - The operator was driving an emergency vehicle in accordance with the provisions of subdivision (1) of subsection (b) of section 14-283
 - The traffic control signal was inoperative, which is observable on the recorded images
 - The violation was necessary in order for the operator to comply with an order or direction from a law enforcement officer, which is observable on the recorded images
 - The traffic control signal was inoperative, which is observable on the recorded images
 - The violation was necessary to allow the passage of an authorized emergency vehicle, which is observable on the recorded image
 - The violation took place during a period of time in which the motor vehicle had been reported as being stolen to a law enforcement unit

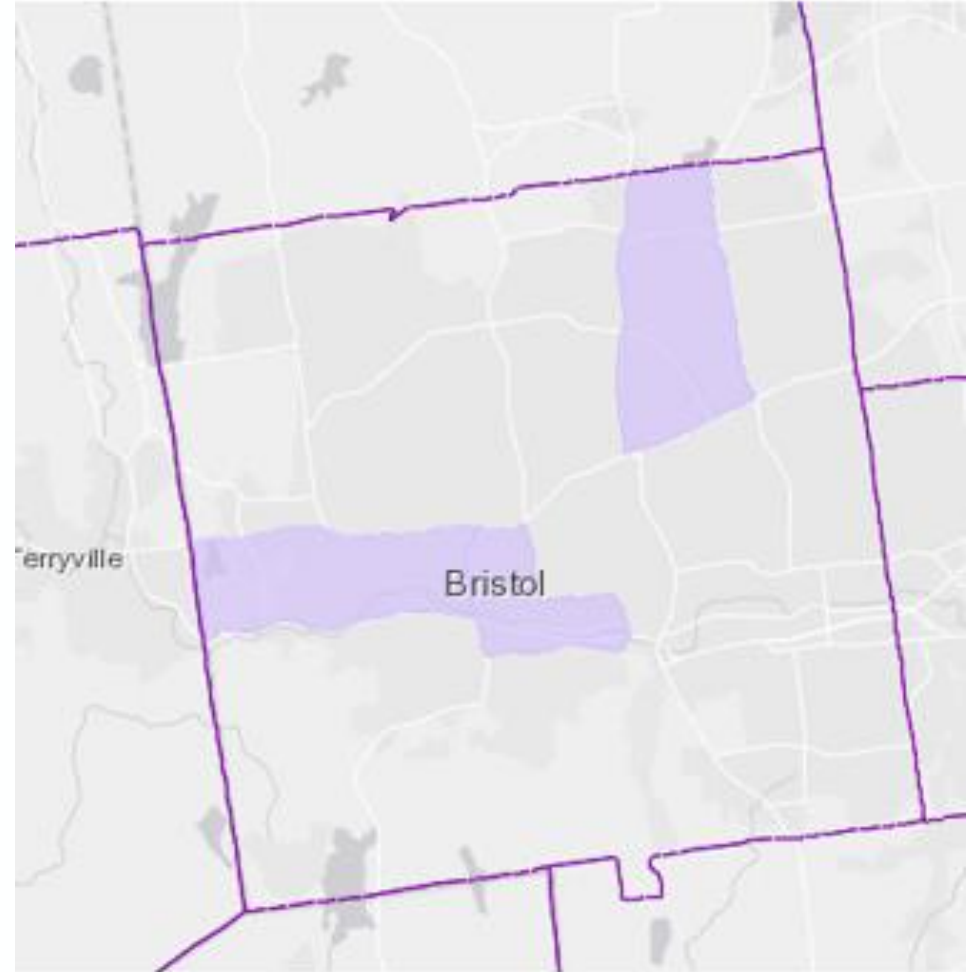

PUBLIC ACT 23-116 (Cont.)

- Compile documents for submission to OSTA/CTDOT Approval
 - Written justification explaining how and why the locations were chosen
 - History of crash data and OPM reported traffic stops
 - Copy of traffic signal control plan showing geometry, phasing/sequence, and timing
 - Sign detail
 - Copy of adopted ordinance
 - Notice of public hearing
 - Comprehensive Safety Action Plan (or Vision Zero Plan)
 - Copy of minutes when the ordinance was approved
 - A scaled roadway plan or an aerial image showing the location for the ATESD system and the location of the signs notifying there is an ATESD present

PUBLIC ACT 23-116 (Cont.)

- Safety and Equity are both considered when reviewing the plan
 - CT Red Light Violation Tool (CT-REDV)
 - CT Crash Data Repository (CTCDR)

According to Black's Law Dictionary, Uncollectible means:

"A thing unable to be collected after all efforts have been made".

Other definitions include:

"not capable of being collected; "a bad (or uncollectible) debt". bad. invalid - having no cogency or legal force; "invalid reasoning".

2024-2025 Write Offs:

September - Michael Orciari - \$90 original fine waived

RE: November Monthly Traffic Division Statistic Report

Serious/Fatal Traffic Crashes:

Open Cases:

1. Case #24-7525 (2/24/24) – A motorcycle struck a vehicle that was exiting a gas station parking lot on Middle Street. The motorcycle rider was seriously injured and flew by Life Star to an area hospital. This crash is currently under supervisor review.
2. Case #24-13707 (4/11/24) – A patron left a bar and walked out into the middle of Pine Street, where he proceeded to yell at the establishment. As he walked back towards the sidewalk, he was struck by an eastbound vehicle. The vehicle then fled to the highway, where it left the roadway and struck a guardrail. New Britain police, as well as CT State Police responded, who ultimately arrested the driver for DUI and other motor vehicle charges. We are currently investigating the hit-and-run portion of this incident.
3. Case #24-24025 (6/24/24) – An eastbound vehicle struck two pedestrians that were attempting to cross Pine Street near Emmett Street. Both pedestrians died as a result of this crash. This crash is currently under supervisor review.

4. Case #24-40426 (10/6/24) – A motorcyclist was westbound on Pine Street, crossed over Middle Street and continued up Mountain Road. The rider failed to negotiate the curve on Mountain Road, crossed over the double yellow, and struck an eastbound vehicle. The rider was pronounced dead at the scene. The vehicle operator was transported for minor injuries and later released from the hospital. This crash is in the infant steps of the investigation.
5. Case #24-41230 (10/12/24) – Two motorcyclists were westbound on Farmington Avenue. In the area of Vanderbilt Road, one of the riders lost control and laid down his motorcycle, which struck several curbs and came to a rest after striking a guy wire. Lifesaving measures were taken and the rider was taken to an area hospital, where he was later pronounced dead. This crash is currently under investigation.

Closed cases:

1. Case #24-610 (1/5/24) – A vehicle was exiting a restaurant's parking lot, which was then struck by a southbound vehicle on Middle Street, who had the right of way. This investigation was initially investigated by the patrol division. On 1/19/24, the original investigator was notified that the passenger of the vehicle exiting the parking lot was not expected to survive and succumbed to his injuries on 1/19/24. This investigation was closed with no enforcement action taken against the other driver due to a lack of evidence of wrongdoing.
2. Case #24-8574 (3/3/24) – A vehicle was traveling northbound on West Street in the area of Gridley Street. As the vehicle approached a crosswalk by Gridley Street, a male in a motorized wheelchair/scooter was struck by the northbound vehicle. The patrol division responded to the scene and secured it. The male from the scooter was transported to an area hospital to be evaluated. After some time, hospital staff stated that his injuries were not life-threatening. On 3/16/24, we were notified that the male had passed away. An autopsy was completed and the initial results were inconclusive. The investigation revealed that the wheelchair/scooter operator was intoxicated as he attempted to cross the roadway. An arrest warrant was submitted for the motor vehicle operator's arrest for insurance compliance issues.

New Cases:

1. Case #24-45576 (11/10/24) – A vehicle was traveling westbound on the Barnes Highway in the area of Lincoln Avenue during dusk to evening darkness. As the vehicle traveled through the intersection, the vehicle struck a pedestrian crossing over the Barnes Highway. The driver stopped and remained on scene who is cooperating with the investigation. This crash is currently under investigation.

Traffic Officer Assignments:

The Traffic Division officers are tasked with the daily maintenance of the fleet, and child car seat installations as well as assisting other divisions within the police department and throughout the city.

Officers from the traffic division participated in training at the police academy for traffic direction and control.

Traffic Complaints:

Officers have been conducting enforcement at various locations within the city for speeding and areas with higher crashes are being targeted through enforcement of speed and other violations to decrease crashes with the intention of making our roadways safer. By utilizing the UCONN crash repository crash heat map, known as speeding and red light violation hot spots, the officers are tailoring their enforcement activities. Each week they are assigned three locations to focus their enforcement activities on. Each location is picked due to speed activity and crash history, which specifically lists at least one state road and a local road.

As we neared Thanksgiving and the Christmas holiday seasons, the traffic division shifted their enforcement times to be closer to the commuting hours in the morning and evening hours. This serves several purposes but increases the number of drivers seeing motor vehicle enforcement as they travel on our roadways and may deter some criminal activity.

At the November police commission meeting, several complaints were heard, specifically speed on Stonecrest Drive and Stafford Avenue near Debra Lane. Since the Debra Lane complaint, there have been some enforcement patrols and motor vehicle stops on Stafford Avenue due to the increased traffic due to the Jerome Avenue bridge construction project. The radar feedback signs were also recently deployed in that area. Stonecrest Drive will be evaluated in the near future.

- BPD is currently conducting holiday patrols.
- BPD began a new traffic enforcement initiative announced on Facebook designed to increase visibility and focus on unsafe driving, speeding, red lights, and windshield tints. Officer Zach Levine made a drug arrest and seized a firearm after making a stop for a tinted windshield.
- As part of our agency-wide training and development plan, which seeks to provide new opportunities and experiences for our personnel, the following staff reassignments will be taking place. These changes will take place at cycle change on January 19th, 2025.

Lt. Ric Berube from Scheduling to Patrol

Lt. Geoff Lund from Records & Technology to Scheduling

Lt. Jason Warner from Training to Internal Affairs/Community Relations

Lt. Eric Hanson from Internal Affairs/Community Relations to Records & Technology.

- Officer Alec Iurato, our new Wellness Coordinator, has partnered with the Fire Department to explore new wellness opportunities for first responders. Departmentwide surveys will be going out soon to gauge needs.
- The town of Cheshire is being added to the Central Region ERT.
- Axon My 90 is live and viewable on our webpage.

- On December 8th, 2024, members of the Patrol Division responded to a report of suspicious activity in the area of East Main Street. Officers were provided a description of the individuals in question who were later identified as Nelshon Pires and Andy Semedo, both of Brockton, Massachusetts. The pair were located in the vicinity of Blasius of Bristol. During the last few years, several area car dealerships have had high-priced vehicles stolen off their lot, including dealerships here in Bristol. Often these thefts involve multiple vehicles being taken at one time.

Officers found Pires and Semedo to be in possession of equipment that would allow them to gain access to any vehicle as well as pieces of technology that would allow them to utilize vehicles for which they did not have an original set of keys. In addition, Officers were able to utilize Bristol's recently implemented FLOCK camera system to assist in the investigation. A search of the registration of the vehicle being utilized by the suspects showed they had circled the area near the dealership in the minutes leading up to the call to Police.

Pires and Semedo were arrested for being in possession of burglary tools and were released after posting bond. They are scheduled to appear in New Britain court on December 23rd, 2024.

- On October 19, 2024, Officers responded to reported FLOCK Stolen Vehicle Hit. The vehicle was spotted and the occupants attempted to evade capture by fleeing on foot. After a foot chase and perimeter establishment, both occupants were located and taken into custody.

During a search of the stolen vehicle, a backpack was located in between the driver and passenger seat containing a large amount of marijuana in various quantities and bags as well as a large amount of THC edible candy in various amounts and bags. The total amount of marijuana was later weighed and totaled 29.05 ounces. Based on training and experience, the quantity of drugs was well over what someone would typically possess for personal use and was packaged consistent for distribution/sales. Passenger Gallant was booked and processed for 53a-119c Larceny of Motor Vehicle, 53a-167c Interfering With Officer/Resisting Arrest and 21a-278(b)(1)(a) Sale of Hallucinogenic Substance. She was held on a \$100,000 Cash/Surety Appearance Bond.

Rogers, the operator, was booked and processed for 53a-119c Larceny of Motor Vehicle, 53a-167c Interfering With Officer/Resisting Arrest and 21a-278(b)(1)(a) Sale of Hallucinogenic Substance. He was held on a \$100,000 Cash/Surety Appearance Bond.

NCIC/PRAWN/COLLECT revealed a fully extraditable nationwide warrant for Rogers for Violation of Probation related to Aggravated Assault, Robbery, Aggravated Assault and Theft by Unauthorized Taking or Transfer out of the Penobscot County Sheriff's Office in Bangor, Maine. Roger's criminal history report spans multiple states and is over 40 pages long.

- Date of Incident: 12/5/2024

Time of Incident: 11:00am

Incident Case #: 23-36712

Summary:

In October of 2023 the Bristol Police Department Criminal Investigations Division received a report from the FBI concerning the discovery of explicit sexual images of children on data sources belonging to a city resident.

A lengthy subsequent investigation yielded probable cause to arrest and charge Edward Perkowski, age 25 and of 622 N. Main St, with CGS 53a-196d*: Criminal Possession of Child Pornography (1st Degree). An arrest warrant was applied for and granted by New Britain Superior Court. A search warrant for Perkowski's residence was also obtained to recover evidence of this crime.

On the morning of 12/5/24, members of the Criminal Investigations Division served both warrants simultaneously at the address. Perkowski was taken into custody without incident, and several evidentiary items were seized. Perkowski was booked and held on a \$250,000 court-set bond.

Re: Stop signs to normalize intersections

Sir,

A traffic impact study was performed by F.A. Hesketh & Associates for the proposal of a 15 unit, single family attached residential development, which would be developed on the south side of Earl Street, between Crown Street and Melrose Street.

During their site review, they noted that there are currently no stop signs on the northbound approach to Earl Street from Melrose Street or on the southbound approach to Earl Street from View Street. These intersections are normally controlled by Connecticut statute 14-246a (Right of way at junction of a roadway) as someone traveling on the minor road shall give the right of way to the one traveling on the main roadway.

Being that there is now a proposed housing development and that both roads previously mentioned provide direct access to/from Bristol Central High School, a firm, F.A. Hesketh & Associates, recommended that stop signs, stop bars and 50 linear feet of double yellow centerline be installed on the View Street approach to Earl Street and also on the Melrose Street approach to Earl Street. These additional stop signs and roadway markings would normalize the two intersections and would be more in line with driver's expectation as they traveled on the roadways when they approach "T" intersections.

I have spoken to the public works director who concurred with the findings about roadway markings and has instructed that line painting on these roadways be added to their lists for third party line painting in the spring.

Below is an image for reference of the two locations for new stop signs to be added and the image does represent current lack of roadway markings that public works stated that they would add in the spring.

RECOMMENDATION:

Add stop signs for northbound traffic on Melrose Street at its intersection with Earl Street and also southbound traffic on View Street at its intersection with Earl Street.
