RE: May Monthly Traffic Division Statistic Report

Wrecker Investigations:

Members of the Traffic Division have been investigating complaints generated from police initiated tows by wrecker services which have had overcharges listed on their invoices to customers. These overcharges have shown to be thousands of dollars.

Search warrants were served on the business locations and the information recovered during these search warrants has been under review adding to the on-going investigation. Afterwards, members of the Traffic Division met with State Prosecutors of the court to discuss the case and evidence recovered and documented.

After the conclusion of the investigation, several arrest warrants have been drafted and submitted to the court for their review. We are waiting for the court's response to the arrest warrants.

Overall Enforcement:

Motor Vehicle Stops: 52
Arrests: 7
Infractions: 25
Written Warnings: 18
Verbal Warning: 2

Special Events:

Two traffic officers went to the police academy to conduct motor vehicle stop training. This training consisted of officers teaching new recruits the proper techniques for conducting traffic stops, vehicle placement and vehicle approaches. The recruits then practiced what they were taught and were evaluated by the training officers.

Members of the Traffic Division participated in the ESPN Special Olympics Torch Run event that was held at their campus. In addition to providing traffic control, The Traffic Motorcycle units lead the run from Middle Street to Lake Compounce.

The Traffic Division was also tasked with assisting in the organization of three special events, all occurring over the Memorial Day weekend. The events included the Shamrock Road Race, the Forestville Parade and the downtown Memorial Day Procession. Each event required streets to be shut down and/or detoured so the events could be completed safely.

Serious Traffic Accidents:

The Traffic Division is currently investigating three motor vehicle crashes. Additionally, the Division has recently closed out a fatal crash investigation.

Closed Cases:

1. Case #22-774 (1/7/22) - This was a fatal motor vehicle accident involving two vehicles traveling south on Middle Street. The investigating officer has completed their investigation and the officer has closed this case. The investigation revealed that the deceased party was at fault for this crash. No arrest will be made.

Open Cases:

1. Case #22-2177 (1/19/22) - This was a fatal motor vehicle accident on Jerome Avenue where a vehicle struck a pedestrian walking in the roadway. The investigating officer has completed their investigation and turned it in for review. (under supervisor review)
2. Case #22-5262 (2/17/22) - A single vehicle left the roadway while traveling westbound on James P. Casey Road. Upon leaving the roadway, the vehicle struck a utility pole. The operator was pronounced dead at Bristol Hospital. The investigation is still pending medical examiner documentation and will continue over the next several months.
3. Case #22-16189 (5/17/22) - A single motorcycle left the roadway while traveling southbound on Jerome Avenue. Upon leaving the roadway, the motorcycle struck a portion of a bridge and a fire hydrant. The operator was transported to an area hospital with serious, life threatening injuries. After a couple weeks, the operator was transported to a long term rehab facility. The investigation is on-going.

Additional Assignments:

In addition, the Traffic Division officers are tasked with the daily maintenance of the fleet, child car seat installations as well as assisting other divisions within the police department and throughout the city.
