Chief Morello

i. Red Light Cameras

A discussion was held about moving forward with installing red light traffic enforcement cameras. Chief Morello stated that the cameras started as an exploratory idea and that we as a City, are looking into the viability and whether or not it's right for our community. It was forwarded to the Ordinance Committee to put some language together for review. Right now, the draft language mirrors the state law as it reads and Chief Morello thinks this is what we will find throughout all other municipalities that are implementing cameras. Chief Morello recommends allowing him to look into other towns' findings after the cameras have been implemented.

Commissioner Ghio made a motion NOT TO HAVE TRAFFIC ENFORCEMENT CAMERAS IN THE CITY OF BRISTOL, Seconded by Commissioner Sapp Smith.

A discussion was held. Mayor Caggiano explained that there are several steps we have to go through with the city to get this done. There was no public hearing on the ordinance language itself so, if it goes well in other towns and everyone decides to move forward with this 6 months or a year from now, we would have to send it back to the Ordinance Committee to amend the language we would want. They would then have to have a public hearing and we would have to start interviewing vendors and possibly have an additional public hearing. Then, it would have to be sent back to the State to have them approve whichever locations we choose. Mayor Caggiano stated it is a long process which is why he suggests to table it indefinitely.

Commissioner Lemieux stated that there are too many unanswered questions about how all of this is going to work. He mentioned, "A prime example of my history being a police officer is the camera is not going to pick up criminal activity."

VOTE: PASSED

Vote – 6 yes
1 no – Mayor Caggiano

Commissioner Lemieux moved to START A TRAFFIC SAFETY SUB-COMMITTEE CONSISTING OF COUNCIL MEMBER SUE TYLER, COMMISSIONER RORY GHIO, FORMER COUNCILMAN TOM LAVIGNE, FORMER MAYOR JOHN LEONE ALONG WITH A MEMBER OF THE POLICE DEPARTMENT, CHIEF MORELLO'S CHOICE, TO ACT AS A LIASON TO THE SUB-COMMITTEE. ADJUSTMENTS TO THE SUB-COMMITTEE WILL BE AS NEEDED, Seconded by Commissioner Lewis.

VOTE: UNANIMOUSLY PASSED

Commissioner Lemieux explained that the sub-committee will review data and research methods for improving traffic safety in Bristol. They will work in collaboration with the Bristol Police Department to identify high crash and violation areas. This sub-committee will make recommendations on how to reduce these to make Bristol's roads safer and report back to the entire Commission.

Complaints:

During the month of February, two complaints were received for speeding. Peck Lane was reported during the after school hours. Perkins Street was also received. Upon looking at Perkins Street's crash history and speed sign results, it was determined that speed is not a serious factor and two of the crashes within a year do not have similar cause. While speaking with the complainant, it was discovered that phone service was still not restored from the most recent crash. The City's ombudsman and I worked with the complainant to have telephone service restored at her elderly mother's home, as she was having trouble with Frontier restoring her mother's underground utilities.

Traffic Enforcement Areas:

Officers have been conducting enforcement at various locations within the city for speeding and areas with higher crashes. By utilizing the UCONN crash repository crash heat map, known speeding and red light violation hot spots, the officers are tailoring their enforcement activities. Each week they are assigned three locations to focus their enforcement activities on. Typically, the locations that are selected consist of one state roadway and two local roadways near the same state roadway. Our desire through enforcement of these violations is to decrease crashes to make our roadways safer.

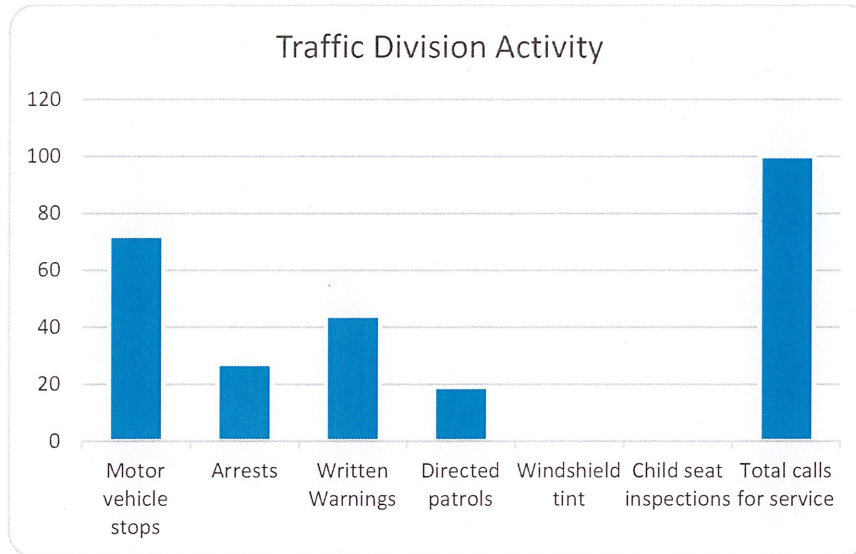

Assigned Enforcement Areas:

February	Week 1	Week 2	Week 3	Week 4
	Pine Street	South Street at Mellen	Farmington Av	Wolcott Street
	Middle Street	Memorial BLVD	Woodland Street	Peck Lane
	Willis Street	West Street	Jerome Av	West Street

Detail what happened:	I wanted to express my sincere gratitude to Officer Warecho. (And everyone on scene - they were wonderful!) He was the responding officer for an incident yesterday morning. My son Robbie got into his first at fault car accident & Officer Warecho was a blessing. My son was very distraught & in tears because not only did he receive that car for his 16th birthday & it's destroyed, it was my 1st real car & I have had it since 2004 & to say it was sentimental is an understatement. He was so worried about upsetting us & totaling the car he absolutely loved. Officer Warecho & the other 1st responders including the Fire Department went above & beyond with reassurance & did everything they could to help my son Robbie calm down. I was very impressed & truly grateful, especially when the officer told my son about how he had totaled his mom's car when he was teen helping show my son that accidents do happen to everyone. I wasn't upset - no one was hurt and that's all that matters to me but to a 20 year-old boy, the world was falling apart & the officers response made the world of a difference. Please pass on my sincere thank you!!! he was doing paperwork so I could not thank him myself, things like that make the world of a difference & it wasn't unnoticed!

***Hartford Man Sentenced to 3 Years in Federal Prison for Trafficking Crystal Meth**

Marc H. Silverman, Acting United States Attorney for the District of Connecticut, announced that GODFREY SMITH, also known as “Mike” and “Mikey,” 41, of Hartford, was sentenced today by U.S. District Judge Robert N. Chatigny in Hartford to 36 months of imprisonment, followed by three years of supervised release, for trafficking methamphetamine.

According to court documents and statements made in court, in April 2024, the Drug Enforcement Administration’s Hartford Task Force and Middletown Police Department made a controlled purchase of approximately 53 grams of crystal methamphetamine from an individual in Middletown. During the transaction, investigators identified Smith as the source of the drugs. On August 22, 2024, investigators made a controlled purchase of approximately 240 grams of crystal methamphetamine from Smith in Hartford.

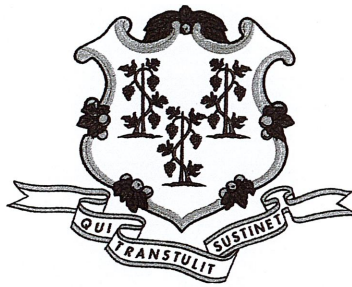

Smith was arrested on a federal criminal complaint on September 4, 2024. At the time of his arrest, law enforcement seized from Smith approximately 27 grams of crystal methamphetamine, 44 grams of cocaine, 32 grams of crack cocaine, \$3,200 in cash, and a box of .45 caliber ammunition.

On December 5, 2024, Smith pleaded guilty to possession with intent to distribute, and distribution of, five grams or more of methamphetamine.

Smith, who is released on a \$100,000 bond, is required to report to prison on April 30.

The DEA’s Hartford Task Force includes personnel from the DEA Hartford Resident Office, the Connecticut State Police, and the **Bristol**, Hartford, East Hartford, Enfield, Manchester, Middletown, New Britain, Rocky Hill, Wethersfield, and Windsor Locks Police Departments. Re: 2024 Internal Affairs Statistics
Date: December 31st, 2024

Chief Morello,

The following information is a summary of Internal Affairs Investigations that were generated during the 2024 calendar year. It is important to note that some of these investigations involved multiple Officers, resulting in the overlapping of some statistics. For example, there was a single investigation involving the failure to properly secure a crime scene that resulted in five Officers' conduct being investigated in a single incident. Conversely, nineteen of the twenty six investigations involved a single Officer, with Cruiser accidents being the most common violation (there were twelve Cruiser accidents in 2024). There were two complaints made where no Officer was identified. In one instance the party could not identify the Officer and the second was a complaint against the Department as a whole.

There was a 44% increase in the number of Internal Affairs investigations in 2024 as compared to 2023 (26 in 2024 vs. 18 in 2023). However the total number of Officers investigated in 2024 was down by just under 6% (32 in 2024 vs. 34 in 2023). The largest single increase in alleged misconduct was in Cruiser Accidents. That number doubled in 2024 when compared to 2023 (12 in 2024 vs. 6 in 2023)

The data below consists of totals as well as percentages, indicated in parenthesis.
