RE: June Monthly Traffic Division Statistic Report

Wrecker Investigations:

Members of the Traffic Division have been investigating complaints generated from police initiated tows by wrecker services which have had overcharges listed on their invoices to customers. These overcharges have shown to be thousands of dollars.

After the conclusion of the investigation, several arrest warrants have been drafted, signed and served by the Traffic Division.

Christopher Pio, who owns Chris' Auto – Plainville, Auto Star – Bristol and Elite Automotive – Bristol was arrested for the following offenses where he later posted his \$200,000 bond;

Larceny in the 1st degree, 2 counts
Conspiracy to Commit Larceny in the 1st degree
Insurance Fraud, 2 counts
Conspiracy to Commit Insurance Fraud
Failure of Repair Shop to Provide Estimates
Failure to Maintain Wrecker Records
Charge Excessive Wrecker Rates

Special Events:

Members of the Traffic Division participated in the installation of AXON vehicle cameras in all line vehicles that serve a patrol/enforcement functions. The installation of these cameras are required to be in compliance of the police accountability bill, HB6004. Their assistance to the installation team from an outside vendor was paramount in streamlining the installation of the necessary equipment for this new system. The installation took one week to complete, troubleshoot and complete the final testing procedures.

Members of the Traffic Division utilized our speed signs and trailer in high traffic areas to remind drivers to be mindful of their speeds, as school is in their summer break and more children will be out in the neighborhoods.

Every year the Imagination Nation performs an evacuation drill at their facility on Pleasant Street. This drill consists of all of the children being escorted on foot by staff and police to the Boys and Girls Club on West Street. While staff guides all of the children, police officers stop traffic at intersections so

the children and staff can safely cross the roadways, so staff can give their undivided attention to their tasks at hand.

Detail what happened: I just wanted to reach out and pay a tremendous compliment to officer badge number 245, I'm a nurse and was visiting a patient in Bristol and it became clear almost immediately that we were dealing with a case of narcotics diversion and I was ordered by the physician to seize and destroy all meds immediately and destroy them on site. the family wasn't particularly "pleased" shall we say lol, and we needed an officer on scene for all of our protection and for the safe destruction and disposal of everything. I think the response time was less than 5 mins, he came in, explained the situation as did I and it made all the difference in the world. He was patient, pleasant

and let me know that he would stay as long as required. This isn't a huge shock to me since I used to be a medic in Bristol so I'm used to working with you all, but I think more than anything just his presence prevented any interference by the family and obviously looked out for all of our safety. As we had no other staff available and the obvious concerns of the situation itself plus

Any/all unknowns of what people might do in a situation like that necessitated a police presence. I just wanted to personally thank him once again for backing me up and we as a company AccentCare Hospice, for helping us ensure the safety and integrity of our personnel and patients. I/We would really appreciate it if this is given to his direct supervisor with our sincere thanks and appreciation for everything he and all of you do for us. Take care, stay safe!
