# **Tower 1**

## **Monthly Report**

### **June 2022**

#### **Summary**

Tower 1 responded to 71 incidents during the month of June. Notable calls include 2 building fires, and 1 extrication at an MVA. Building surveys were conducted. These totaled 14 different occupancies for a duration of 9 hours.

#### **Personnel**

Lt Alan Rudolewicz was transferred to Tower 1 to take the vacancy created when Thomas Scully was promoted to Captain. Lt. Rudolewicz is a great addition to the company.

#### **Apparatus/Equipment**

Tower 1 has several outstanding warranty issues that have yet to be repaired.

#### **Fire Stations/Facilities**

A bathroom faucet was repaired by City Hall maintenance.

#### **Miscellaneous**

I have returned from my training detail for the in-house recruit program.

Respectfully submitted,

James Plaster, Captain

## **Engine Company 1**

### **June 2022 monthly report**

#### **Summary of calls for service**

Engine 1 responded to 98 calls for the past month. These included 1 structure fire, 0 chimney fires, 3 cooking fires with no extension, 2 car fires, 7 outside or trash fires, 3 unauthorized burning complaints, 4 motor vehicle accidents with entrapment, 13 motor vehicle accidents, 2 CO investigations, 6 electrical problem investigations, 4 assist PD/EMS, 10 lock out calls, 4 lock in calls, 6 haz mat investigations, 2 gas leak investigations, 21 alarm investigations, 4 good intent calls, 5 water problem investigations, 1 cancelled call.

#### **Personnel**

Two members of engine 1 retired at the end of June. Captain Jeff Neumann 34 years of service and Firefighter Paul Maghini, 35 years of service. Several Probationary fire fighters started their rotations on engine 1 for the month.

**Apparatus/Equipment.** Engine 1 personnel using new First Due software for daily apparatus checks inventory.

**Fire Station/Facilities.** Fire station grill hooked up to natural gas line. Electrical issues engine 1 office and front of building under sign. Request for repair submitted.

#### **Miscellaneous**

Respectfully submitted.

Captain Thomas Scully

## **Engine Company 2**

### **Monthly Report**

#### **June, 2022**

#### **Summary**

Station 2 Personnel participated in training provided by Eversource Gas at the drill field. Many department personnel continued studying for the upcoming Lieutenant exam. Training for the implementation of the new First Due software on July 1 continued through the month. Station 2 Personnel responded to 31 calls for service in June.

#### **Personnel**

Lieutenants Norbut and Mason retired at the end of June. Captain Simard was promoted to Deputy Chief. We wish them well in retirement and new position. Chief Hart along with the Deputy Chiefs are in the process of assigning new personnel to the station. Adam Della Ventura and Brian Wilkinson were sworn in as Lieutenants on June 17<sup>th</sup> and will take start with their crews the week of July 4<sup>th</sup>. Lt. Barnosky will remain with his crew on A-Shift.

#### **Apparatus/Equipment**

Engine 2 and the brush truck were in service the entire month with no issues. During rescue boat training on Cedar Lake the boat experienced engine problems and is currently with FET Kelly for repairs.

#### **Fire Stations/Facilities**

Public works is chipping away at a list of projects around the station. I am in the process of setting up a walk trough of the station with David Oaks to get a handle on where those projects stand.

#### **Miscellaneous**

It is an honor to take the reins at Station 2 and I look forward to the new challenges of the position. Deputy Chief Simard, retired Lieutenants Mason and Norbut have left the station in amazing shape. The three Lieutenants and myself will have big shoes to fill but I am optimistic that we can carry on what they have built here.

Respectfully submitted,  
Captain Todd Cutler

# **Engine 3 Monthly Report June 2022**

## **Summary**

- Engine 3 responded to 55 call for service in the month of June. This included 2 first due house fires, 3 cooking fires. The majority of remaining calls were for activated fire alarms and auto accidents.

## **Personnel**

- Members continue to train with recruit firefighter Palin.
- FF. Adam Chilberg has been transferred for engine 5 to engine 3. He was a former member of the company and we are happy to have his knowledge and experience back at engine 3.

## **Apparatus/Equipment**

- Scott airpack E8-04 is out of service due to a bad regulator.
- Hose testing was finished up by the members. We had 3 lengths of 1 ¾ inch hose fail.

## **Fire Stations/Facilities**

- The AC in the station has not been working properly. On 6/6/22 Perfect Temp came out and repaired the Ac system. It has been working but not properly. It is not able to keep up on hot days.

## **Miscellaneous**

- Captain Henderson has returned to station 3 from the detail into the training division.
- Engine three would like to congratulate the 7 recruits who graduated and welcome the two new members hired by the Bristol Fire Dept.

Respectfully submitted,

Craig Henderson,  
Captain Station 3  
Bristol Fire Department

# **Engine 4**

## **Monthly Report**

### **June 2022**

#### **Summary**

Engine 4 responded to 49 calls for service during the month of June.

#### **Personnel**

Recruit Class 1 has graduated!!

This month we say goodbye to many great Firefighters. Engine 4 has FF Kevin McCauley and Kenneth Miffitt retiring. These two have been a rock to which many junior firefighters and several officers turn to for knowledge and guidance. They leave the department better for having been a part of it. I thank them for all their hard work and dedication to doing the job well and with a strong work ethic.

#### **Apparatus/Equipment**

Engine 6 is in service at Station 5 this month. Engine 4 is in service. It passed several pump trails to ensure its readiness for service. Despite some cosmetic issues she is sound and the members are glad to have her back in service.

#### **Fire Stations/Facilities**

Public Works has made some minor repairs to two of the kitchen sink drains; Thanks to them for their timely response.

#### **Miscellaneous**

This is my last monthly report from Station 4, I have had the pleasure to serve as Captain for the last 5 years. I started my career at Engine 4 and really enjoyed returning as the Captain. The newer station and Fire apparatus have been great to work with but of course the thing I enjoyed most was working with the great members of Station 4 past and present. We will all have many challenges in the future but I have no doubt we will continue to meet them together with integrity and professionalism.

Respectfully submitted,

*Todd Correll*

Todd Correll, Captain

# **Engine Company #5**

## **Monthly Report**

**June 2022**

### **Summary**

Engine 5 responded to 64 calls for service in the month of June. These included 2 structure fires, 8 motor vehicle accidents ranging from scene safety to general cleanup and extrication, 12 alarm activations both fire and CO, 1 dumpster fire, 4 unauthorized burns, 5 lockouts both motor vehicle and residential. Crews are beginning to start training on the new computer program First Due. Annual driver training is underway as well as familiarization of our response area with our new members. Monthly surveys were conducted on apartment buildings and commercial properties.

### **Personnel**

FF Kyle Dunn finished his rotation and has returned to Station 5 on the D shift. FF Adam Chilberg and FF Anthony Quarto were transferred to Station 3. FF Zach Higley and FF Alec Madden are now at Station 5 on the A shift. June also saw the retirements of Captain E. Scott England and Lieutenant Alan Pastyrnak from Station 5 and the BFD. We wish them both well and thank them for their service.

### **Apparatus/Equipment**

Engine 5 was out of service for a short time to address some on going issues such as the AC system and an air leak. The new Support 1 vehicle has been put into service at Station 5. It has been outfitted with a new flat bed and liftgate and will be used as a second alarm vehicle and carries our rehab equipment, LDH hose roller, extra SCBA bottles, bottled water, chairs and a tent.

### **Fire Stations/Facilities**

Station 5 has had a few problems with plumbing issues in the kitchen and bathroom as well as floor drains in the bathroom getting clogged. David Oakes is aware and is continuing to address the problems as they arise.

### **Miscellaneous**

Nothing to report at this time

**Respectfully Submitted,**

**Captain Brian D'Amato**

**CITY OF BRISTOL FIRE DEPARTMENT  
OFFICE OF THE FIRE MARSHAL  
MONTHLY REPORT**

**June 2022**

*Kristopher Lambert*

---

Kristopher Lambert, Fire Marshal

**CITY OF BRISTOL FIRE DEPARTMENT  
OFFICE OF THE FIRE MARSHAL  
MONTHLY REPORT  
June 2022**

**TO:** City of Bristol Fire Board Members  
**FROM:** Kristopher Lambert, Fire Marshal  
**SUBJECT:** Monthly Report – June 2022

**INCIDENTS**

There were one hundred ninety four (194) incidents for the month of June 2022 that required computer-generated reports communicated to the State Fire Marshal's Office and FEMA. There was one (1) investigation(s) of fire/explosions by this office. Total estimated loss for the period is \$161,400 dollars.

64 Woodhaven Rd.

There was one (1) civilian injurie(s), and seventeen (17) Firefighter injuries reported during this period. There were four (4) mutual aid call given/received within the month. A copy of the cumulative monthly inspection reviews and permits account is included with this report.

**REVIEWS, MEETINGS, MISC.**

- With the decrease in the number of positive Covid-19 cases, the interior of this office will remain closed to the public while all business will continue to be conducted electronically, or outside of the building while social distancing. It is paramount that we continue to safeguard the health and safety of the employees of this office.
- Twenty two (22) plans for new construction, occupancy changes, and renovations were reviewed. Some of the plans included electrical and mechanicals, including Fire Alarm and Fire Sprinkler systems. Site plan drawings are also included. Coordination and consultation regarding plan review is ongoing with other city agencies.
- The Fire Marshal's Office attended four (4) formal Site Plan Committee meetings in June to coordinate details for future Plan Review submittals in the City of Bristol. Nineteen (19) other site meetings attended by staff were conducted with business/property owners.

- There were approximately one hundred forty two (142) Fire Prevention Bureau business related calls managed by the staff.
- Approximately five (5) visitors were received at Fire Headquarters to speak with Fire Marshal's Office Personnel. All conversations and transactions were conducted outside of fire headquarters or within the hallway.
- Inspector Elect Hoyt sat for his final examination for the Fire Code Inspector class at the end of the month. We are currently awaiting the results which have been delayed by the holiday (July 4<sup>th</sup>) and staffing issues at the state.

## **TRAINING CLASSES**

- Staff of the Fire Marshal's Office earned eight (8) hour(s) of continuing education credits this month, along with one hundred twelve (112) hours of Fire Code Inspector Training with OEDM.

## **INSPECTIONS AND PERMITS \*\***

- 13 Apartment building inspections (56 units)\*\*
- 5 Assembly Occupancy inspections
- 10 Business Occupancy inspections
- 15 Fire Alarm Inspections
- 10 Automatic Sprinkler System Inspections
- 7 Certificate of Compliance
- 3 Liquor license inspections
- 8 Mercantile Inspections
- 3 Modifications
- 8 Hood & Duct Inspections
- 0 Special Amusement/Assembly inspection
- 2 Industrial inspection
- 2 Educational Inspection
- 3 Complaint Inspections
- 2 Health Care / Nursing Home / Group Home Inspections
- 0 Day Care Inspections
- 1 Recreation/Summer Camp
- 1 Blasting Permit
- 0 Gasoline station inspection
- 0 Residential Board / Care
- 2 Tent inspections

\*\* In larger residential occupancies, where the building construction is modular in design and contains similar apartments with like layouts and amenities, representative apartments are chosen at random to determine compliance with the Connecticut State Fire Safety Code (CSFSC) and the Connecticut State Fire Prevention Code (CSFPC). With smaller occupancies, we do commonly enter as many units as possible where access is granted and time permits. The corresponding figures represent the number of occupancies and the total number of units affected by the inspection. In order to remain compliant with the current inspection requirements, I strongly recommend increasing the number certified personnel in this office to six (6). With the addition of two new inspectors, this office could easily absorb the daily administrative duties thereby eliminating the need for a principal clerk.

#### **OFFICE OF THE FIRE MARSHAL STAFF VEHICLES**

Fire 3 - 2013 Ford Explorer - White

Fire 4 - 2012 Ford Expedition – Red – Being used as the on call vehicle

Fire 5 - 2011 Dodge Grand Caravan - White

Fire 6 - 2013 Ford Expedition - Red

Mileage and fuel usage reports are generated automatically and submitted by the mechanic.

**Senior Captain James D. Blaschke - Training Officer**

### **MONTHLY TRAINING REPORT**

**June 2022**

Annual fire department boat operations training began during the month of June. This class covers trailer connection, towing operations, outboard motor operation, launching and loading from trailer and safety while on water. This class is in preparation of the upcoming fireworks detail at Cedar Lake association.

New firefighter orientation training was held during the month for newly hired probationary firefighters FF. B. Mike and FF. S. Burke. Both firefighters were trained on radio operations, Mayday procedure, safety and survival drills, and Scott 5.5 SCBA operation along with several other orientation topics.

Eversource gas emergencies refresher training continued this month with a detailed class delivered by Eric Madison. This class is tailored to the city of Bristol's gas distribution system, fixtures and service pressures. Various types of gas meters are reviewed along with use for size up during a gas emergency. Demonstrations of chemical properties for methane and propane along with an explosion chamber for effects of various levels of LEL (lower explosive limit) for each gas give a substantial visual effect. Additionally a review of multiple large scale gas emergencies are broken down to find root cause and appropriate emergency response actions for incidents of that size and scope.

FIRST DUE emergency software training continued during the month of June. The department will be switching over to this software in July. Ongoing training on the new modules and user enhancements will be continued as an ongoing process to allow personnel to become proficient with the increased functions. FIRST DUE software will enhance the capabilities of the department for record keeping, data analysis, incident response, asset management and department projections.

Emergency medical responder refresher training began this month for personnel that are upcoming for recertification. A new online EMR refresher program is being utilized to complete the ongoing education portion of the recertification.

Bristol Fire recruit class 1 celebrated with all 7 recruits successfully passing all certification exams, blood borne pathogens training, CPR, AED and firefighter 1 and 2 practical skills. Graduation ceremony was held on July 17<sup>th</sup> to move the 7 recruits to the position of probationary firefighter. I responded to 5 incidents as safety officer during the month of May.

Meetings and Public Functions:

First Due integration is moving forward with a date of July 1 to go “live”. Numerous Zoom meetings have been held to go over the scheduling module and asset management which was impressive as to the capabilities and data it provides. It will make assignments much easier and tracking leave time much more efficient. The asset management will computerize all our apparatus check sheets and create work orders automatically. Inventory checks are also included for more efficient tracking. These modules are slowly being integrated in our daily duties.

Attended Radio committee meeting to discuss issues with the radio system and future plans (end of life) and warranty purchase

Met with the Career Chiefs Association to discuss issues facing the Fire Service in Connecticut.
