Bristol Police Department
Traffic Division

To: Deputy Chief Moskowitz
From: Lieutenant Krajewski

RE: June Monthly Traffic Division Statistic Report

Traffic Officer Activities:

During the month of June, units from the division worked with the Special Olympics Torch Run. They assisted in the escort of the runners from Bristol's town line with Wolcott and escorted the runners to the Farmington town line.

The Bristol Police Department has been working with the Department of Public Works to transition our Traffic Maintenance Technician and his responsibilities to DPW to have his tasks split up between DPW's various divisions. During the time leading up to this transitional period and some time after, officers from the Traffic Division have had to take on a more active role in some of the responsibilities of the Traffic Maintenance Technician. This includes delivering police vehicles for maintenance services with outside vendors within and outside of the city. This transitional phase will need to be in place until the Police Department and DPW iron out the various tasks performed by the Traffic Maintenance Technician and where these maintenance tasks will be performed at which City location.

The ultimate goal of this change is to split and delegate tasks and to build redundancy of the tasks to better the City's response when problems arise with our sign and traffic signal infrastructure, as well with our police and other city vehicles.

Grants:

I applied for a Federally funded Speed and Aggressive Driving Grant in May. This grant allows for one hundred percent reimbursement of all overtime activities for a maximum amount of \$50,000.00 of work for grant activities. The City of Bristol was awarded a total of \$46,091.39 covering overtime for the grant from July 1 to September 5, 2025. Grant activities are voluntary to work and the officer has to apply to work a grant assignment. This grant becomes active July 1, 2025.

Serious/Fatal Traffic Crashes:

Open Cases:

1. Case #24-41230 (10/12/24) – Two motorcyclists were westbound on Farmington Avenue. In the area of Vanderbilt Road, one of the riders lost control and laid down his motorcycle, which struck several curbs and came to a rest after striking a guy wire. Lifesaving measures were taken and the rider was taken to an area hospital, where he was later pronounced dead. This crash is currently under investigation and the officer is working on his final draft of the report for supervisor review.

2. Case #25-11386 (3/12/25) – A vehicle was traveling on Witches Rock Road, towards the Town of Wolcott when the vehicle lost control, striking a tree. The lone driver was ejected from the vehicle. He was transported to an area hospital where he was pronounced dead. No other injuries were reported from this crash. This crash is currently under investigation.
3. Case #25-19397 (5/2/25) – A eastbound motorcycle was traveling on Farmington Avenue. In the area of McDonalds, a vehicle exited the parking lot and was struck by the motorcycle. The motorcycle operator was transported from the scene and was pronounced dead at the hospital. The other driver was not seriously injured and has spoken with police for this investigation. This crash is currently under investigation.

New Cases:

1. Case #25-27184 (6/16/25) – A vehicle was northbound on Lake Avenue, approaching the area of Sunnydale and Middle Streets. The vehicle failed to negotiate the curve on Lake Avenue, leaving the roadway to the left. The vehicle continued along the sidewalk, crossing over Middle Street and entered the parking lot of Terry Commons. The vehicle entered the woods and struck a wood structure hidden within the woods. Debris from the structure struck the front seat passenger, seriously injuring him, while the rear seat passenger suffered minor injuries. The driver was not seriously injured.

During the initial crash investigation, probable cause existed and the driver was taken into custody, suspected of Driving Under the Influence. He was also charged with several other offenses. The Bristol START team was contacted and responded to the scene to further investigate. This crash is currently under investigation and several warrants have been drafted and sent to court for review.

Closed cases:

1. (Repeated from April's report) Case #24-13707 (4/11/24) – A patron left a bar and walked out into the middle of Pine Street, where he proceeded to yell at the establishment. As he walked back towards the sidewalk, he was struck by an eastbound vehicle. The vehicle then fled to the highway, where it left the roadway and struck a guardrail. New Britain police, as well as CT State Police responded, who ultimately arrested the driver for DUI and other motor vehicle charges. This investigation has concluded and an arrest warrant has been issued for the driver.
 - a. **(NEW)** The driver of this crash was located and brought into custody. No further arrests are expected in this case.

To the Bristol Police Department,

I wanted to take a moment—without delay—to express my sincere gratitude to the officers who responded to the incident on Jacobs Street on the evening of Thursday, July 3rd.

I had just arrived home and parked my car when fireworks began going off in the street. Unfortunately, this has become a familiar issue every July—individuals recklessly setting off fireworks in a densely populated neighborhood filled with children, elderly residents, pets, and everyone in between. It's not only disruptive, but also dangerous.

To my relief, officers from the Bristol Police Department arrived on the scene promptly. I assume a responsible neighbor called it in, recognizing how inappropriate—and illegal—this activity was. I expected that the situation would be quickly and effectively resolved, with fireworks confiscated and citations issued as needed.

Soon after, I heard loud yelling that suggested someone was unhappy about the consequences of their actions—possibly a girlfriend upset that her partner was being held accountable. I couldn't see the details (so I might be wrong on the reason for the police call), but it was clear that emotions were running high. Additional police units arrived, and I felt an overwhelming sense of appreciation for the officers managing what sounded like a tense and chaotic situation.

I want you to know that there are many of us in Bristol who deeply value and support our police department. We understand that enforcing the law—especially in emotionally charged moments—is not easy. Most of us lack the training and ability to deal with these situations ourselves, and we rely on you to help keep our community safe.

Please remember, whenever you face these challenges, there are many of us silently cheering you on. We see you, we respect your work, and we are grateful for your service and dedication.

This note was written quickly, but I hope it still conveys how much your presence and professionalism mean to our neighborhood.

We need you, we support you, and we thank you wholeheartedly.

Warm regards,

A Thankful Citizen on Jacobs St. ☺

My compliment is “ includes office staff” Your officers have Always been kind and courteous. They listen to people and they are always respectful. I have witnessed the Bristol Police in my neighborhood de-escalate situations with grace and confidence. That is something to be proud of. I wish they had more Authority on Federal land. I live in federal housing. Even the BPD knows how corrupt the Housing Authority is and has been for years. I only wish that they do not assume everyone who lives here is a drug addict based on appearance or address. That has been my personal experience and I have physically suffered because they aren't allowed to enforce the law as they would not on federal property. It's not just the BPD. It's also the health department they are not allowed to enforce the law that keeps us safe and healthy on federal property..

Most people that live here are afraid to complain to anybody about anything in fear of no cause eviction. But my general opinion is that your department is reliable, caring, and it would be nice if there was more community engagement. □

New Britain Man Pleads Guilty to Fentanyl Trafficking Charge

David X. Sullivan, United States Attorney for the District of Connecticut, announced that HENRY MENESES JR., 32, of New Britain, pleaded guilty today before U.S. District Judge Janet C. Hall in New Haven to a fentanyl trafficking offense.

According to court documents and statements made in court, a Drug Enforcement Administration Hartford Task Force investigation revealed that Meneses was selling large quantities of fentanyl in the Hartford area. On January 6, 2025, Meneses distributed 6,000 dose bags of fentanyl to an individual who had driven from Vermont to pick up the drugs. On February 25, 2025, investigators made a controlled purchase of 3,000 dose bags of fentanyl from Meneses on Franklin Avenue in Hartford.

Meneses was arrested on March 25, 2025. On that date, searches of his residence and vehicle revealed two handguns, five gun magazines, ammunition, and more than \$6,000 in cash.

Meneses pleaded guilty to conspiracy to distribute, and to possess with intent to distribute, 40 grams or more of fentanyl, an offense that carries a mandatory minimum term of imprisonment of five years and a maximum term of imprisonment of 40 years. Judge Hall scheduled sentencing for September 16.

Meneses is released on a \$100,000 bond pending sentencing.

The DEA's Hartford Task Force includes personnel from the DEA Hartford Resident Office, the Connecticut State Police, and the Bristol, Hartford, East Hartford, Enfield, Manchester, Middletown, New Britain, Rocky Hill, Wethersfield, and Windsor Locks Police Departments. The Bureau of Alcohol, Tobacco, Firearms and Explosives has assisted the investigation.

The case is being prosecuted by Assistant U.S. Attorney Reed Durham through the Organized Crime Drug Enforcement Task Forces (OCDETF) Program. Additional information about the OCDETF Program can be found at <https://www.justice.gov/OCDETF>.

Re: 80 Princeton Drive Radio Site

Deputy Chief,

Background

Our radio infrastructure has four (4) sites:

- 131 North Main Street (basement)
- 790 Willis Street (outbuilding)
- 530 Stevens Street (outbuilding)
- 80 Princeton Drive (outbuilding)

The outbuildings have two (2) HVAC units mounted to the buildings to control and maintain the environment inside. There are two (2) units on each outbuilding to provide redundancy. The HVAC units use "R-22" refrigerant. R-22 refrigerant is being phased out due to environmental concerns.

80 Princeton Drive

One of the HVAC units had failed; all of the R-22 leaked out. The contractor has offered to perform a leak test and re-charge the system, however, I don't believe this is prudent.

CT DSET Grant Application

The State of CT Department of Emergency Services and Public Protection, Division of Statewide Emergency Telecommunications (DSET), has a grant I can apply for. The grant will pay for 50% of any capital expenditure over \$10,000. The grant period runs from July 1-April 30. Grant requests must be received by DSET at least 90 days prior to purchase.

Summary

The cost to replace the 2 BARD units will be approximately \$36,200.00. I am requesting permission to apply for the grant.
