5. Public Hearings

- a. Application #2049 – Wetlands application for the demolition of an existing garage and cutting down of trees at 225 East Main Street; Assessor's Map 41, Lot 19; Marzena Gap, applicant.

Chairman Fisk designated himself, regular Commissioners Duquette, Robinson, Carros, Massaro, Valentino and Rooks to vote on Application #2049.

The Commission received the following items in their electronic packets:

- a. Assessor's Map with Inland Wetlands Watercourse Layers
- b. Application
- c. Wetlands Delineation Report, dated May 14, 2025, prepared by Ian Cole, LLD

Marzena Gap and Rafal Zagrobelny, 410 Farmington Ave., New Britain, represented the applicant. Ms. Gap explained there was no construction on the inland wetlands area and the land was being cleaned up. Ms. Gap noted she was waiting for the demolition of the garage and for the planting of trees.

Commission inquires: Chairman Fisk noted if Applications #2049 and # 25-467F-311 are approved, the concerns for the Cease & Correct on the property would be addressed. The Commission mentioned any plans going forward would need added applications.

Commission inquiries: Ms. Gap noted there are some trees already down, but the brush needed to be cleaned up. Ms. Gap verified that the garage demolition was pending a review by the Building Dept. for an inland wetlands review. Ms. Gap said the utilities were disconnected from the property. Mr. Zagrobelny noted the trees that are down were near the pump station. Mr. Zagrobelny noted the garage floor slab and building foundation would be removed. Mr. Zagrobelny said the trees would be removed.

The Commission requested additional silt fencing be installed along the river on the west side of the site.

No one else spoke in favor of the application.
No one spoke against the application.

The hearing is closed.

By: Robinson

Seconded: Rooks.

For: Duquette, Valentino, Robinson, Carros, Massaro, Rooks and Fisk.
Against: None.
Abstained: None.

MOTION: Move to approve Application #2049 – Wetlands application for the demolition of an existing foundation garage slab and cutting down of trees at 225 East Main Street; Assessor's Map 41, Lot 19; Marzena Gap, applicant, in accordance with the plot plan and information submitted with standard stipulations.

1. Standard stipulations 1 through 21 (attached.)
2. Portions of the foundation above grade would be removed but no materials may be added to this area.
3. The debris may be cleaned around the hole near the west property line in accordance to Zachary Norton, ET, IWEO.
4. The slab may be removed from the garage.
5. Some trees may be removed from the property.
6. There would be no materials added to the property because this is a floodplain area.
7. Additional silt fencing shall be installed on the west side of the site along the river in accordance to Zachary Norton, ET, IWEO.

By: Robinson

MOTION: Move to receive Application #2052.

By: Robinson

Seconded: Rooks.

For: Duquette, Valentino, Robinson, Carros, Massaro, Rooks and Fisk.
Against: None.
Abstained: None.

The application is received.

Attorney James Ziogas, 104 Bellevue Avenue, representing the applicant, gave a presentation to construct a new building on a 3.56-acre property owned by the City. Attorney Ziogas mentioned the request is subject to the Community and Economic Development Regulations. Attorney Ziogas reviewed the subdivision that was previously approved for the area. The attorney reviewed the water quality system that was the reason for the review. Attorney Ziogas’ view was because the subdivision was approved previously by the Commission that this plan was an insignificant activity.

Steven Giudice, L.S. of Cole Civil + Survey, 876 South Main St., Plantsville, representing the applicant, explained the layout of the new building. Mr. Giudice went over the storm water quality basin infiltration system that was in compliance with the new CT DEEP Manual. Mr. Giudice stated there would be no discharge from the storm water system.

Commission inquiries: Mr. Giudice noted the property sloped at about 3% to 4% from the south to the rip-rap strip or the storm water quality basin. Mr. Giudice said there would be an wetlands restoration mix planted inside the basin and an erosion control mix on the side of the basin. Mr. Giudice indicated the storm water quality system would improve the parking lot concerns as discussed for oils and winter conditions.

Attorney Ziogas mentioned the storm water system was in compliance with the State of CT Regulations. Commission inquiries: Attorney Ziogas said the 4 trucks for the school would be maintained by the school.

Mr. Lorenzetti read into the record the engineering comments generated this afternoon.

The Commission preferred to schedule an onsite for the property.

MOTION: Move to declare Application #2052 a significant activity and set a public hearing for the August 4, 2025, meeting and schedule an onsite inspection for July 28, 2025, at 6:00 P.M.

By: Robinson

Seconded: Rooks.

For: Duquette, Valentino, Robinson, Carros, Massaro, Rooks and Fisk.

Against: None.

Abstained: None.

The application was declared a significant activity.

b. Application # 2051 – Wetlands application for the demolition of an existing structure at 750 Stevens Street; Assessor's Map 50, Lot 11; Pastor Eric Cappelli, applicant.

a. Assessor's Map with Inland Wetlands Watercourse Layers

There were no representatives in attendance this evening.

Mr. Lorenzetti said the pastor was working with a contractor to demolish an existing building.

The Commission and Mr. Lorenzetti agreed the property was in the inland wetlands area.

The Commission preferred to schedule an onsite for the property.

MOTION: Move to declare Application #2052 a significant activity and set a public hearing for August 4, 2025, meeting and schedule an onsite inspection for July 28, 2025, at 5:30 P.M.

By: Robinson

Seconded: Rooks.

For: Duquette, Valentino, Robinson, Carros, Massaro, Rooks and Fisk.

Against: None.

Abstained: None.

The application was declared a significant activity.

4. Old Business

a. New Britain Water Application #2020 – Plan Revisions

Chairman Fisk designated himself, regular Commissioners Duquette, Robinson, Carros, Massaro, Valentino and Rooks to vote on New Britain Water Application #2020 – Plan Revisions.

The following items were submitted into the record: a USB flash drive with the plans for Application #2020.

- a. Email dated June 26, 2025, from Sebastian Amenta to Andrew Armstrong, Assistant City Planner, regarding placing the item on the agenda
- b. A title page dated July 7, 2025, entitled White Bridge Waterworks Facility New Britain Water Department New Britain, CT Bristol Inland Wetlands Permit #2020
- c. A page with CT DEEP Modifications
- d. Summary from CDM Smith

Sebastian Amenta, P.E., Comprehensive Environmental Inc. Regional Program Director 1 Hartford Sq. Suite 227, New Britain representing the applicant explained the applicant was required to apply for a permit to the Army Corps of Engineers and ConnDEEP. Mr. Amenta reviewed the previous approved plan. Mr. Amenta verified there would be no additional disturbance on the site. Mr. Amenta said the CT DEEP recommended the green and yellow areas on the map be revised per CT DEEP approvals. Mr. Amenta noted the areas had to be excavated for compensatory storage but no creations of additional inland wetlands areas. Mr. Amenta said the work areas would be the same square footage. Mr. Amenta verified because of the increase to the inland wetlands impacts the two upland fingers, the plans would create 7,000 sq. ft. of wetlands, remove the mound, and level the area. Mr. Amenta said the State wanted an increase of three inland wetlands area creations and an increase of plantings.

Mr. Lorenzetti and Commission inquiries: Mr. Amenta, P.E. explained the increase in wetlands was about 15,000 sq. ft. Mr. Amenta said the uplands area would have plantings to prevent erosion. Mr. Amenta said the 90,229 sq. ft. would be made into an inland wetlands area as required.

Mr. Amenta said the bond would be updated for the August meeting. Mr. Amenta stated the bid would go out in August and it is a State funded project. Mr. Amenta verified the project would take about three years.

Mr. Lorenzetti requested a revised set of printed plans for the record.

MOTION Move to file the report and the applicant shall submit a revised set of printed plans.

By: Robinson

Seconded: Rooks.

For: Duquette, Valentino, Robinson, Carros, Massaro, Rooks and Fisk.
Against: None.
Abstained: None.

The report is filed.

- b. Cease & Correct - 360 King Street & Lot 47-5-1

Chairman Fisk designated himself, regular Commissioners Duquette, Robinson, Carros, Massaro, Valentino and Rooks to vote on the Cease & Correct - 360 King Street & Lot 47-5-1.

Steven Giudice, L.S. of Cole Civil + Survey, 876 South Main St., Plantsville, representing the applicant, described how he has been working with Mr. Berube on resurveying the area in question and a revised map was submitted. Mr. Giudice said the proposal was to remove the millings and to reseed the property. Mr. Giudice spoke with Mr. Berube about planting additional landscaping but Mr. Giudice wanted to first discuss specific plans with the Commission.

The Commission suggested native hardwood trees be planted for a deeper root system but not in the floodplain. The Commission wanted the same number of trees replaced that were removed. The Commission requested a visual screening for the property.

Mr. Lorenzetti inquiries: Mr. Berube, 360 King St., said he needed to work on the erosion and sedimentation control. Mr. Berube noted he could remove the millings offsite to improve the erosion and sedimentation control. Mr. Berube said he wanted to discuss the plans before an application was filed.

Mr. Giudice indicated the items discussed would be added to update the plan and then an application would be submitted for restoration.

MOTION Move to file the report and the Cease & Correct is kept open.

By: Robinson

Seconded: Rooks.

For: Duquette, Valentino, Robinson, Carros, Massaro, Rooks and Fisk.

Against: None.

Abstained: None.

The report is filed.

c. Cease & Correct - 275 Silo Road

Chairman Fisk designated himself, regular Commissioners Duquette, Robinson, Carros, Massaro, Valentino and Rooks to vote on the Cease & Correct - 275 Silo Road.

The Commission received the following items in their electronic packets:

- a. Email dated June 2, 2025, from Vito Rubino
- b. Letter dated May 13, 2025, from the Inland Wetlands & Watercourses Agency of the Conservation Commission of the City of Bristol
- c. Onsite meeting agenda May 28, 2025

Vito Rubino, 43 Whispering Pines Rd., Plantsville, provided an update prior to submitting an application. Mr. Rubino said an engineer was hired to conduct a survey for a Site Plan for the next application filing deadline of July 24, 2025.

MOTION Move to keep the Cease & Correct open until an application is filed, approved and the work is finished.

By: Robinson

Seconded: Rooks.

For: Duquette, Valentino, Robinson, Carros, Massaro, Rooks and Fisk.

Against: None.

Abstained: None.

The report is filed.

d. Cease & Correct - 225 E. Main Street

Chairman Fisk designated himself, regular Commissioners Duquette, Robinson, Carros, Massaro, Valentino and Rooks to vote on the Cease & Correct - 225 E. Main Street.

Chairman Fisk pointed out that the applications for 225 East Main Street were reviewed previously this evening under Applications #2049 and #25-467F-311.

The Commission received the following items in their electronic packets:

- a. Assessor's Map with Inland Wetlands Watercourse Layers
- b. Application
- c. Wetlands Delineation Report, dated May 14, 2025, prepared by Ian Cole, LLD

MOTION Move to keep the Cease & Correct open until an application is filed, approved and the work is finished.

By: Robinson

Seconded: Rooks.

For: Duquette, Valentino, Robinson, Carros, Massaro, Rooks and Fisk.

Against: None.

Abstained: None.

The report is filed.

- e. Cease & Correct - 42 Paul Street.

Chairman Fisk designated himself, regular Commissioners Duquette, Robinson, Carros, Massaro, Valentino and Rooks to vote on the Cease & Correct - 42 Paul Street.

The Commission received the following items in their electronic packets:

- a. Email dated May 28, 2025, from 5/28/2025, from Randy Lindstrom, regarding 42 Paul St.
- b. Letter dated January 17, 2025, from Matthew Maynard, PE, regarding Cease and Correct Order for 42 Paul St.
- c. Cease and Correct Letter dated April 15, 2024, from Zachary Norton, regarding 42 Paul St.
- d. Summary and Engineering Evaluation for 42 Paul Street Assessors Map 45 Lot 216
- e. Letter dated August 5, 2025, from Matthew Maynard, PE, regarding Cease and Correct Order for 42 Paul St.

Douglas Towne, 42 Paul Street, explained he received a notice that he missed a meeting last month that he was supposed to attend. Mr. Towne received notices from the Corporation Counsel Office and the Building Dept. Mr. Towne said the cinder blocks, pavers and timbers were removed that brought the property down 4 to 5 inches. Mr. Towne said there was a request to have the slope from the beginning of the fence to the end of the fence. Mr. Towne stated from fence to fence it was about 17 inches.

The Commission pointed out the deadline to start the work in the spring of 2025. The Commission had a strong opinion this property was affecting the neighbor's properties and very little work was done. The Commission requested the applicant to contact his engineer to address all the neighbor's concerns. The members suggested the Cease & Correct be continued. The Commission pointed out the applicant dammed up his property to prevent flooding that is making the neighbors' properties and basements flood.

Mr. Lorenzetti noted the plan was approved in concept. Mr. Lorenzetti explained the Commission did not want the items removed but to correct the flow of the water.

Freddie Haines, 34 Paul St., described the former direction of the water in the area.

Commission inquiries: Mr. Towne explained he took out material under the fence and put gravel and less imperious materials under the fence.

The Commission noted the water was being displaced from under the fence to neighbor's properties.

Mr. Lorenzetti read into the record the Cease & Correct letter dated April 15, 2024, from Matthew Maynard, P.E.

The following persons spoke against the application: Randal Lindstrom, 261 Mark St. Mr. Lindstrom's concerns were from the October 2024 meeting of the perforated pipe required has not been addressed. Mr. Lindstrom described how his property and basement were flooded which has stopped but will start again with inclement weather. Mr. Lindstrom said the gravel should be removed and the piping should be installed.

The Commission agreed no work should be done until the City Engineering Dept. and the applicants engineer are contacted. The Commission requested a report for the meeting of August 4, 2025. The Commission requested to contact the Corporation Counsel's Office for the Commission's next steps.

The Commission and Mr. Lorenzetti indicated the following should be done for the property:

The horseshoe pit should be removed.

The materials should not be removed right at the property line but everything else should be removed.

The City's Environmental Technician should be contacted while work is being done.

No new materials shall be put on the property.

The cinderblocks should be removed from the property.

No grading shall be changed.

MOTION Move to keep the Cease & Correct open and a report be filed by the August 4, 2025, meeting.

By: Robinson

Seconded: Rooks.

For: Duquette, Valentino, Robinson, Carros, Massaro, Rooks and Fisk.
Against: None.
Abstained: None.

The Commission discussed scheduling the onsite meetings for Application # 2051 and Application # 2052 at 5:30 P.M. and 6:00 P.M., respectively.

5. New Business

There was no new business.

Commissioner Rooks requested Zachary Fisk, ET, IWEO, review the silt fence near the driveway that is gone from Page Park. Commissioner Robinson asked about work on Perkins Street. Mr. Lorenzetti noted Staff was discussing clearing the brook in this area. Mr. Lorenzetti noted a person was clearing the property and Staff requested the person to stop clearing the property.

The Commission requested the Commission review the concern of Hydrilla in the watercourses in CT because this was a destructive plant. Chairman Fisk noted he would write a letter to the ConnDEEP to inquire about the concern.

Chairman Fisk designated himself, regular Commissioners Duquette, Robinson, Carros, Massaro, Valentino and Rooks to vote on Chairman Fisk writing a letter to the State of CT to request information regarding Hydrilla or for the State to make a presentation to the Commission regarding Hydrilla.

MOTION Move that Chairman Fisk write a letter to the ConnDEEP to inquire for information to supply materials for the Commission regarding the plant Hydrilla.

By: Duquette

Seconded: Robinson.

For: Duquette, Valentino, Robinson, Carros, Massaro, Rooks and Fisk.
Against: None.
