RE: August 2025 Monthly Traffic Division Statistic Report

Traffic Officer Activities:

Officer Kosiba continued filling the role of Traffic Maintenance Technician by meticulously maintaining the fleet and ensuring repairs are being completed in a timely manner. The Bristol Police Department is continuing to work with the Department of Public Works to transition traffic maintenance duties and responsibilities to DPW. This transitional phase will need to be in place until the Police Department and DPW iron out the various tasks performed for traffic maintenance and who will be responsible for performing these maintenance tasks. The ultimate goal of this change is to split and delegate tasks and to build redundancy of the tasks to better the City's response when problems arise with our sign and traffic signal infrastructure, as well with our police and other city vehicles. The Traffic Division maintains the fleet by delivering police vehicles for maintenance services with outside vendors within and outside of the city.

OFC Kosiba participated in the SWAT Competition for the week of 08/11/25-08/15/25. OFC Verillo returned to work on Monday, 08/25/25, from extended leave. On Monday, 08/11/25, OFC Boisvert completed the required number of Phlebotomist Sticks at Bristol Hospital. OFC Boisvert was assigned to training for the week of 08/25/25-08/29/25.

Intersection of Mix Street, Jerome Avenue and Maple Avenue Complaint:

In July I received multiple complaints concerning the timing of traffic lights at the intersection of Mix Street, Jerome Avenue and Maple Avenue. The primary concern is the traffic on Mix Street waiting to travel westbound. The pedestrian signal, if activated, severely reduces the green light time for the Mix Street side as it also waits for the Maple Avenue side left turn lane to go. Often times only one, two or three vehicles make it through the intersection from Mix Street. Vehicles turning left from Mix Street onto Jerome Avenue will block traffic on Mix Street while waiting for traffic traveling straight through the intersection from Maple Avenue to pass.

On Tuesday, 07/29/25, Engineering Tech Manager Anthony Lorenzetti and Safety Technical Associate Jason Hughes from the UConn T2 Center met with Sergeant Ouellette and I on Mix Street. Jason Hughes attached traffic counters on utility poles on Mix Street, Maple Avenue and Jerome Avenue, north and south of the intersection. The counters captured vehicle traffic numbers for a week and will be reviewed for the best course of action to possibly change some timing of the lights in the intersection. On Wednesday, 08/13/25, the traffic counters were removed and the data was downloaded. Mix Street going westbound has the highest volume as was suspected. The Eastern Regional Little League Championship event definitely increased traffic during this period of traffic counting. Anthony Lorenzetti and the Traffic Division are going to recheck the intersection after school reopens. We plan to manually count turning movements during AM and PM peak hours.

Serious/Fatal Traffic Accidents:

The Traffic Division is currently investigating five serious/fatal motor vehicle accidents.

Open Cases:

1. Case #24-41230 (10/12/24) – Two motorcyclists were westbound on Farmington Avenue. In the area of Vanderbilt Road, one of the riders lost control and laid down his motorcycle, which struck several curbs and came to a rest after striking a guy wire. Lifesaving measures were taken and the rider was taken to an area hospital, where he was later pronounced dead. This crash report has been completed and is currently under supervisory review.
2. Case #25-11386 (3/12/25) – A vehicle was traveling on Witches Rock Road, towards the Town of Wolcott when the vehicle lost control, striking a tree. The lone driver was ejected from the vehicle. He was transported to an area hospital where he was pronounced dead. No other injuries were reported from this crash. This crash report has been completed and is currently under supervisory review.
3. Case #25-19397 (5/2/25) – An eastbound motorcycle was traveling on Farmington Avenue. In the area of McDonalds, a vehicle exited the parking lot and was struck by the motorcycle. The motorcycle operator was transported from the scene and was pronounced dead at the hospital. The other driver was not seriously injured and has spoken with police for this investigation. This crash is currently under investigation.
4. Case #25-27184 (6/16/25) – A vehicle was northbound on Lake Avenue, approaching the area of Sunnydale Avenue and Middle Street. The vehicle failed to negotiate the curve on Lake Avenue, leaving the roadway to the left. The vehicle continued along the sidewalk, crossing over Middle Street and entered the parking lot of Terry Commons. The vehicle entered the woods and struck a wood structure hidden within the woods. Debris from the structure struck the front seat passenger, seriously injuring him, while the rear seat passenger suffered minor injuries. The driver was not seriously injured. During the initial crash investigation, probable cause existed and the driver was taken into custody, suspected of Driving Under the Influence. He was also charged with several other offenses. The Bristol START team was contacted and responded to the scene to further investigate. This crash is currently under investigation and several search warrants have been drafted and sent to court for review.

New Case:

5. Case #25-38357 (08/24/25) – Two motorcycles were traveling south on Burlington Avenue. In the area just north of Cindy Lane, both of the riders lost control of their respective motorcycles. One of the riders suffered life threatening injuries and was transported to a local hospital where he was pronounced dead. This crash is under investigation.

Detail what happened:	I could not reach my sister who owns a condo in Sandpiper Woods at 371 Emmett St. She is 63 with numerous health issues & lives alone. I am 70 & disabled, ill, & was unable to go check on her. I was very worried. The person who answered the phone understood & said someone would go check on her. So much kindness, concern, & compassion from 1st contact to the officer who responded. I could not believe how quickly this was accomplished & that the officer who checked on her called me right away to let me know she was fine, just having trouble with her phone. What a relief. I moved my sister to Bristol from NV where she was living alone & was very impressed with Bristol, an undiscovered (for me) gem of a location in CT, especially the Forestville section. I found her this sweet little condo, in an area that is very clean (Bristol in general, kudos), felt safe, close to everything she needs, great public transit too, just right for her. We worked with a Realtor & attorney to close on the purchase remotely. My sister had just had 2 major surgeries so it was important to have a place not too far from me & close to highways, medical care, in a safe area & with her desire for trees & nature around. I looked at many other towns (cities) but was so impressed with Bristol! Now I am even more

impressed after my first experience with your police department. Thank you, & keep up the good work. I live alone in a small senior apartment in Cromwell -- if I can ever find the same in a similar area of Bristol (love Forrestville) I will gladly move there. My #1 concern about every city or town is looming homelessness for the elderly as all housing costs & living costs have soared. Every aspect of our lives is at risk. #2 in importance is safety of which law enforcement is crucial. I'm so grateful for your department & that I found Bristol to be everything I wanted for Laura, & more. My sister is Laura Sniegowski. 371 Emmett St Apt 67, Bristol, 06010. Please pass my praise along to those involved & other departments in your fine city. Thanks again!

Chief's Report – Old Business

Spring Street Parking complaint

During the month of August, the Patrol Division investigated allegations of vehicles parked on Spring Street for excessive periods of time. During directed patrols, the roadway was frequently free of vehicles. During one directed patrol, an officer located a vehicle parked along the curb. The officer met with the owner and made arrangements for it to be moved. The owner works overnight, and upon returning home, NPL Construction would have Main Street blocked preventing him from accessing his regular parking location. He would resort to parking his vehicle on Spring Street while he slept. NPL Construction has been working on Main Street for the entire Summer, which has also created issues for patrons of the Bristol Public Library. NPL has been instructed to keep the roadways open numerous times, as well as provide signage explaining "Businesses Open" and "Local Access".

Corner of Summer Street and Main Street

Last month, we were asked to look into the parking situation regarding the retail establishment on the corner of Summer Street and Main Street. Ray Rogozinski, Public Works Director, is evaluating the area to possibly install bollards on the street.

Unshoveled Sidewalks

Last month, Commissioner Ghio mentioned coming up with a plan for unshoveled sidewalks during the winter months. Deputy Chief Moskowitz and Lieutenant Hanson will attend the Code Enforcement Workshop to start working on a plan.

CITIZEN FEEDBACK AUGUST 2025

Respondents' greatest concerns remained in two areas- Drug use/sales and Traffic offenses/crashes. For the calendar year, those two areas accounted for 47% of respondents' concerns. For August, those areas climbed to 64%. The two areas have switched positions, however, as Drug use/sales has grown to 37% of respondents citing those crimes as their biggest concern, versus 29% citing Traffic offenses/crashes. For the calendar year, Traffic Offenses/crashes have been chosen by 27% of respondents as their biggest concern, with Drug use/sales being selected by 20%.

Our city is experiencing a growing homeless population, which often results in public perception of increased substance abuse. The city is devoting a lot of resources towards finding long-term solutions for people in such situations.

So far this year, motor vehicle accidents are down 11% over the previous year. In addition, motor vehicle enforcement by Officers is up over 200% over the same period last year. We will share these statistics more often so our community realizes the effort and resources that are going into improving roadway safety in our City.

**Bristol Man Sentenced to 6 Years in Federal Prison for Drug Trafficking,
Defrauding COVID-19 Relief Program**

David X. Sullivan, United States Attorney for the District of Connecticut, announced that TERRY COLLINS, 31, of Bristol, was sentenced today by U.S. District Judge Victor A. Bolden in New Haven to 72 months of imprisonment and four years of supervised release for trafficking fentanyl and for laundering funds received through misrepresentations to a COVID-19 relief program.

According to court documents and statements made in court, in 2022, the DEA New Haven Task Force, the DEA Tactical Diversion Squad, the Waterbury Police Department, and other law enforcement agencies determined that Gawayne Fisher, also known as “Fruit” and “Tank,” was trafficking narcotics in and around Waterbury while on federal supervised release. The investigation, which included court-authorized wiretaps on multiple phones, physical surveillance, and controlled purchases of narcotics, revealed that Fisher and others were selling large quantities of fentanyl and cocaine, as well as counterfeit oxycodone and alprazolam (Xanax) pills. Collins supplied fentanyl to Fisher’s organization, and he maintained a location on Yale Street in Waterbury to store, process, and package narcotics.

Collins, Fisher, and two associates were arrested on April 13, 2023. On that date, a search of the Yale Street location revealed drug-processing equipment, approximately three kilograms of loose fentanyl, and approximately 75,000 individual bags containing fentanyl. In addition, a West Main Street apartment in Waterbury that Fisher used as a stash location revealed approximately 16 kilograms of cocaine, three kilograms of fentanyl, 125,000 individual glassine bags containing fentanyl, and \$7,574 in cash, and a search of Fisher’s residence on Beverly Avenue in Waterbury, and his vehicle, revealed approximately \$175,110 in cash.

The investigation also revealed that Collins defrauded the Paycheck Protection Program (“PPP”), a COVID-19 pandemic relief program established by the U.S. Congress through the

Coronavirus Aid, Relief, and Economic Security (“CARES”) Act to provide financial assistance to small businesses for job retention and other expenses. In May 2021, Collins submitted documentation to the U.S. Small Business Administration that Platinum Liquor, a store he operated in Waterbury, had 14 employees and an average monthly payroll of \$59,612. In fact, Platinum Liquor only had one employee and the store did not generate as much money as Collins claimed. Based on these misrepresentations, Platinum Liquor received a \$149,030 PPP loan. Collins made additional misrepresentations in loan forgiveness documents and the loan was subsequently forgiven.

On October 2, 2024, Collins pleaded guilty to one count of conspiracy to distribute and to possess with intent to distribute 40 grams or more of fentanyl, and one count of money laundering related to the PPP loan scheme. Collins, who is released on a \$100,000 bond, is required to report to prison on October 28.

Judge Bolden will determine Collins’ restitution obligation within 90 days.

On January 27, 2025, Fisher [was sentenced to 217 months of imprisonment](#) for this drug trafficking offense and for violating the conditions of his supervised release from a prior federal conviction.

This investigation was conducted by the DEA New Haven Task Force, the DEA Tactical Diversion Squad, and the Waterbury Police Department, with the assistance of the Federal Bureau of Investigation, U.S. Marshals Service, Connecticut State Police, Internal Revenue Service – Criminal Investigation Division, and the New Haven, Naugatuck, Ansonia, West Haven, Meriden, East Haven, Branford, Shelton, and Bristol Police Departments.

This case was prosecuted by Assistant U.S. Attorney Natasha M. Freismuth through the Organized Crime Drug Enforcement Task Forces (OCDETF) Program.

Explanation:

DURING THE SPRING OF 2025 THE ROAD AT THE INTERSECTION OF RIVERSIDE AVE & HOOKER CT WAS OPENED FOR THE EAST RD BRIDGE PROJECT. THE PATCHWORK SETTLED. IF AN EMPTY TRAILER TRUCK HITS THE PATCH WORK THE RIGHT WAY IT CAUSES THE BUILDING TO SHAKE. AFTER THE 6/10/25 ALARM OUR ALARM SERVICE FOUND BOTH HALL MOTION SENSORS LOOSE.

THE 7/22/25 ALARM WAS AN ATTEMPTED BURGLARY. I FOUND THE BOTTOM OF THE HALL DOUBLE DOOR PRIED AWAY FROM THE LATCH. AT THE TIME I FOUND IT I WAS UNAWARE THAT THE ALARM WAS TRIGGERED, NO ENTRY, NO DAMAGE, NO REPORT

THE ALARMS ON 8/3 AND 8/4 ARE BELIEVED TO BE CAUSED AGAIN BY THE TRUCKS. THE ALARMS IN THE HALL HAVE BEEN REMOVED FROM THE WALLS AND PLACED IN THE CENTER OF THE CEILING. THE ROAD WAS ALSO JUST MARKED TO FIX THE PATCH WORK.

THANK YOU FOR YOUR TIME AND CONSIDERATION

I am writing to inform you that your alarm account with the Bristol Police Department is overdue. As you know from our previous letters, the false alarm fine process is administered pursuant to Bristol's Town Ordinance Section 2.5-6. Under this process, you are allowed three (3) false alarms per calendar year (January 1 through December 31). After the third false alarm you are billed at the rate of \$90.00 per false alarm. Any alarm user who fails to pay a false alarm charge within fifteen (15) days of the false alarm assessment shall render the false alarm user liable to a penalty equal to twice (2) the amount of the initial penalty provided. Any alarm user who fails to pay a false alarm charge within thirty (30) days of the false alarm assessment shall render the said alarm user liable to pay a penalty equal to three (3) times the amount of the initial penalty provided.

In order to minimize the number of false alarms to your premises you should inspect your system and assure that authorized personnel are properly instructed in the use of the system. Please remit payment immediately. If you have any further questions, please contact the Records Division at the Bristol Police Department. The Records Division can be reached Monday through Thursday 8:00 AM to 4:15 PM and Friday 8:00 AM to 1:15 PM at 860-584-3061.
