RE: November 2025 Monthly Traffic Division Statistic Report

Traffic Officer Activities:

Officer Kosiba continued filling the role of Traffic Maintenance Technician by meticulously maintaining the fleet and ensuring repairs are being completed in a timely manner. The Bristol Police Department is continuing to work with the Department of Public Works to transition traffic maintenance duties and responsibilities to DPW. This transitional phase will need to be in place until the Police Department and DPW iron out the various tasks performed for traffic maintenance and who will be responsible for performing these maintenance tasks. The ultimate goal of this change is to split and delegate tasks and to build redundancy of the tasks to better the City's response when problems arise with our sign and traffic signal infrastructure, as well as with our police and other city vehicles. The Traffic Division maintains the fleet by delivering police vehicles for maintenance services with outside vendors within and outside of the city. OFC Verillo was assigned to the Criminal Investigation Division effective Sunday, 11/23/25.

Traffic Division Enforcement:

The Traffic Division focused motor vehicle enforcement on the following roadways, where we have had many motor vehicle complaints, during the month of November:

11/23/25-11/29/25 Barnes Highway

11/30/25-12/06/25 Stafford Avenue, Stevens Street & Shrub Road

Re: Bristol Crime Analysis comparison 2023/2024

Sir,

Attached is data from the Uniform Crime Data reports from CT.Beyond2020.com which is the central repository for NIBRS data for the State of Connecticut and Bristol. This data is a direct comparison from UCR reports from 2023 and 2024 calendar years.

Reviewing the data, there is an overall drop in most crime, however there was a slight increase in Crimes Against Person and a larger increase in Crimes Against Society (Drug/weapon charges).

Thank you,

To allow the Capital Region Council of Governments to install an antenna on our South Mountain radio tower Site.

RAFFS provides a regional channel for all departments in the Capital Region to communicate during mutual aid events and can also serve as a backup to our own radio system should it go down. There would be no cost to the city. Corp council would be asked to create a lease agreement for the use.
