Correspondence

From Chairman Micari to Donna Dognin: On behalf of the Bristol Commission for Persons with Disabilities, I thank you for your presentation at our January Commission Meeting, on the topic of Veterans Strong Community Center. Your presentation included a discussion about the Center's History, Mission--Resiliency and Outreach--and a comprehensive overview of the Center's wide range of services, resources & networking connections, to the Veterans and Municipalities served. You masterfully illustrated the impact that your organization has on the Veterans Community. In your review of recent events and achievements, you further demonstrated VSCC's significant role in the lives of Veterans and Families. Finally, your anecdotal commentary and personal stories conveyed your concern for and genuine commitment to those who served our Country. I look forward to continued collaboration with you and VSCC. Sincerely, Dan Micari
